A U S T I N , March 1 --- Time just ran out for West Sabine here Thursday as they bowed to White Deer, 49-48, in a Conference A first-round state tournament game.

The winning Bucks, fourth-place finishers here last year, apparently were in good control in the second half before outside-shooting Alvie Williams led the losers' gallant bid. Williams nabbed 23 points for high-point honors.

Gerald Bichsel, who had four three-point plays during the game, paced the winners with 18. Carroll Russell and all-stater Carl McAdams each contributed 12.

The game started slowly and West Sabine led 8-7 after one quarter.
