AUSTIN, March 9 -- McAdoo won its second state basketball championship here Saturday morning, shooting down Prairie Valley of Nocona, 52-35, in the Class B state tournament finals.

The Eagles led almost all the way after a slow start in winning the title and keeping their tournament record all-winning. Two trips -- 1960 and 1963 -- have resulted in two championships for the Panhandle school.

Larry Morris scored 21 points for the winners, while Billy Brown, with 11, was the only Prairie Valley player in double figures.

Neither was particularly hot, McAdoo hitting 31.3%, PV 42.4%. The losers had a 33-28 rebound margin.
