AUSTIN, March 11 -- Little Cypress overcame a state tournament record performance by Ganado's Bebe Zajicek and defeated the Maidens, 52-50, in an exciting Conference AA girls' state tournament semi-final basketball game here Friday afternoon.

Zajicek shattered Conference AA and state tournament marks for most free throws made in a game, hitting 28 of 37. The old tournament record was 27, set in 1959 by Margie Guinn of Abernathy, who also held the Class AA mark.

Zajicek earned game high-scoring honors with her total of 38 points. Little Cypress was led by the 33 points of Phyllis Parish. However, Parish had a 19-point assist from Betty Reider.

Little Cypress hit 46.5 per cent from the field to Ganado's 36, but LC's big 20-9 advantage in field goals was almost overcome by the Ganado free throw success.

The game was the best-matched in the 1966 tournament so far, with the score tied no fewer than 15 times, and with the lead changing hands on 16 occasions. A fine 20-point fourth quarter won for Little Cypress as Parish and Reider each scored 10 points in the final eight minutes of play.

Little Cypress, now 33-3 for the year, will play for the Class AA title Saturday at 7:30 p.m., while Ganado, now 26-5, will play for third place at 10:20 a.m.
