**All District/Area Meet Directors and Coaches of qualified athletes should read this carefully. A copy of this information should be given to coaches of all qualifiers.**

ENTRY PROCEDURES:
1. a. Area meet directors must send area results to the spc track office: Area Meet Directors MUST send a complete set of results from your district meet to the SPC Track Office so that they arrive in the SPC Track Office by Noon, Monday, April 22, 2019. Fax or emailed copies are permissible. These results are to be sent DIRECTLY to the SPC Track Office, NOT to the Regional Athletic Director or the Regional Director. Insure time/distance/height and finishing place for the area meet are included in the results. See appropriate address and fax number of meet director on the final page of these instructions.

b. Coaches of qualifying athletes must enter their athletes on the direct athletics meet entry website. The coach of each qualifying athlete **MUST** enter their athlete(s) in the appropriate event(s) on the web-based meet entry service DirectAthletics.com no later than Monday, April 22 at 8:00 pm. Coaches **must enter athlete’s performances from Area meets for seeding purposes**. See the attached instructions for use of the Direct Athletics entry service. Failure to follow correct entry procedure may cause disqualification of entries!

2. Qualifiers who cannot compete: A coach who has a qualifier who cannot compete in the region meet MUST contact THE DIRECTOR OF HIS/HER AREA MEET no later than Wednesday, April 25 before noon. It is also the responsibility of this coach to contact the coach of the next alternate and inform them of the open position.

3. Alternates who move into qualifying positions: Coaches of alternates who have been moved up to qualifying positions must call the director of the area meet to declare that their athlete will compete. The meet director will enter confirmed alternates after the final entry confirmation by district/area meet directors.

4. Final entry confirmation procedures: the director of the area meet must call the SPC Track Office between 8:00 a.m.-noon on Wednesday, April 25 to make final declarations of all entries from your district/area. The area meet director must call to confirm entries even if there are no changes. Any changes in qualifiers on the official entry list will be made at this time. Individual coaches of alternates may not call in changes. Changes can only be made by the area meet director. It is the coach’s responsibility to inform the area meet director of any changes due to ineligibility, injury, etc. It is the area meet directors responsibility to report all changes from your area to the spc track office on Wednesday, April 25 before noon. It is the meet director’s responsibility to add confirmed alternates to the entry list after this confirmation process. No changes will be accepted except at this call-in time!

There will be no changes made on meet day because of someone's failure to notify the area meet director of a change or due to the area meet director's failure to notify or send in area results to the SPC Track Office. All correspondence concerning the Region 1-1A Track & Field Meet needs to be sent directly to the SPC Track Office.

5. A copy of all of this information should be given to coaches of all qualifiers by the AREA Meet Director at the district or area meet.
How to Submit Entries - Track & Field

STEP 1 - Accessing your directathletics account Each coach must have a Direct Athletics username and password for his/her team. If you don't know your username and password, you must register. You will use the same account to enter all meets run through Direct Athletics.

**NOTE ABOUT MEN'S AND WOMEN'S ACCOUNTS:** You control only one gender at time, so you will complete the below steps for your Men, and then switch to your Women's team and repeat the process (or vice versa). The team you are controlling is listed on the blue navigation bar across the top of your account, for example:

Sport: Track & Field Team: Guilford (M)
This indicates that you are controlling the Guilford MEN'S team (M=MEN). To switch to your Women's team, you would select "Guilford (W)".

STEP 2 -- Setting Up Your Online Roster
Before entering an athlete into a meet, you must add all attending athletes to your roster. If an athlete is already on your roster (from previous seasons or meets) you do not need to add him/her again.

1) Upon logging in, click the TEAM tab. (New users will automatically be in the TEAM module)
2) If you have used Direct Athletics before, you will see your existing athletes on your roster. New Users should click the green "Add Athletes" link.
3) Click the green "Add Athletes" link under the Team Roster header. Select an approximate number of athletes you would like to add (you can add more at any time).
4) Enter your athletes' First Name, Last Name, and School Year and click "Submit".
5) You may add, edit or delete athletes on your Team Roster at anytime by clicking the TEAM tab. To add athletes, click the green "Add Athletes" link at any time. To delete or edit athletes, check the box to the left of each athlete(s) and then click the red "Delete Selected" link or the blue "Edit Selected" link respectively.

STEP 3 -- Submitting Online Meet Entries; Once your athletes are added to your roster, you must submit your entries.

1) In the HOME tab (under Upcoming Meets) or in the SCHEDULE tab, click the green Register button next to the meet you wish to enter.
2) If prompted, choose an entry method. We HIGHLY Recommend using the NEW, "Enter by Athlete" method.
3) Follow onscreen instructions for submitting your entries. You will see a running tally of your entries on the right side of your screen.
4) When you are finished with your entries, click the "Finish" link.
5) You will see a list of your current, submitted entries. Click the appropriate link to receive an EMAIL confirmation or a PRINTABLE confirmation.
6) To edit your existing entries, click the blue Edit Entries button next to the meet name on your Upcoming Meets or complete Schedule.

FOR HELP AND USER GUIDE:
http://www.directathletics.com/help.html#
Attention All Athletic Directors, Coaches, Area Directors, and anyone else involved with the Area Meet:

In order for South Plains College to provide a smooth Championship experience for your teams at the Region 1-1A track meet, there are certain things that must be done, beginning at the Area Meet.

1. **Hy-Tek Track and Field Meet Manager Software MUST be used.** If you do not have this software, you may purchase it at http://www.hy-tekltd.com/track/winmm/index.html. This is the only software that may be used and typed entries will not be accepted! Various schools through the Region have the software and there are also timing companies that may be hired to provide the service.

2. Once you have the Hy-Tek software, it is required that you format and set-up the meet according to the standard explicitly implied by the UIL. Now that there are two divisions in 1A, it is up to the area director/area meet coordinator to ensure the meets are setup correctly. It is up to each area to know which teams are classified Division 1. To properly label the divisions in the area meet, follow the steps below:
   a. On the home page, click Set-Up (top menu bar, second option from left)
   b. On the Set-Up menu, click Division/Region Names
   c. On the Division/Region Names menu, click Divisions
   i. Division 1 should use Code 1A and Division Name 1A

3. In the Events menu, you must set up the meet in order and with the specific event numbers mandated by the UIL and associate them with the division in which you compete.
   a. Division 1 will use event numbers 101-134 (see attachment)

4. **Date Entry Check List:**
   a. Please check that all athlete names are spelled correctly with correct capitalization (ex. John Doe is correct…NOT JOHN DOE or john doe).
   b. The “year in school” should be included for each athlete in the following format: 09 for 9th grade, 10 for 10th grade, 11 for 11th grade and 12 for 12th grade.
   c. Relay team members and any alternates (maximum of 6 names) must be included in the data base. All names should be entered at the regional level.
   d. The use of relay cards for final declaration is highly recommended.
   e. Input names of the relay team members under each relay, including the relay alternates.
   f. MUST run an entry list report before prelims and finals to determine if any event limitations exist for an athlete.

5. The proper school codes, as required by the UIL, must also be used. The proper school codes for your area schools may be found at http://www.uiltexas.org/files/athletics/track-field-codes.pdf
   a. The school codes must be used for the Hy-Tek program to work properly. The school code and the school name must be identical to the UIL list. Do not put “HS” or “High School” after the school names. The Hy-Tek program does not identify the school unless both of these items are typed correctly.
