ALMANAC

TEAM TENNIS | CROSS COUNTRY | VOLLEYBALL | FOOTBALL

OVERVIEW

The UIL Lone Star Cup is awarded annually to six high schools, one in each of the six UIL conferences (1A, 2A, 3A, 4A, 5A and 6A), based on their team performance in district and state championships. The winning schools in each classification will receive the UIL Lone Star Cup trophy and a \$1,000 scholarship. The UIL would like to thank Texas Farm Bureau Insurance for their sponsorship of the UIL Lone Star Cup.

Honoring the best overall athletic and academic programs in Texas, the UIL Lone Star Cup is open to all UIL participant high schools.

UIL Lone Star Cup Rules and Scoring

Sports/Activities Included

This annual program recognizes six high schools, one in each of the six UIL conferences (1A, 2A, 3A, 4A, 5A and 6A), based on their overall team achievement in the following sanctioned UIL Academic/Athletic/Music championships (all classes unless otherwise noted):

Academic State; Baseball#; Basketball#; Congress; Cross Country*; Film; Football#; Golf*; Marching Band; Mariachi; Military Marching Band; One-Act Play; Robotics (FIRST & BEST); Soccer#; Softball#; Spirit; Swimming & Diving*; Team Tennis; Tennis; Theatrical Design; Track & Field*; Volleyball#; Wrestling*

* - Individual Sport

- Team Sport

POINTS AND STANDINGS

Standings for the UIL Lone Star Cup are compiled via a year-long accumulation of points based on team success at the district and state level in the UIL activities listed above. UIL Lone Star Cup points are accrued as follows:

Superior Rating at State

If a school ties for a place in overall team standings of a contest (or for overall match wins in Tennis), the points will be added up from all places effected by the tie and split evenly between the tied schools. Example: Two schools tie for 4th place in state Track & Field. Points for 4th place (4 pts) and 5th place (2 pts) are added together and split evenly between the two schools (3 pts apiece).

OFFICIAL TIEBREAKERS

If two schools in the same classification finish the UIL Athletic/Academic year tied atop the UIL Lone Star Cup point standings, the overall winner will be determined as follows:

1-Most Overall State Championships in all activities included in the UIL Lone Star Cup program.

2-Most Total Points received in the State Academic Meet.

3-Most District championships in all Team Sports included in the UIL Lone Star Cup program.

2016 Fredericksburg Team Tennis

First year of UIL competition: 1982-83

Match Format

Each contest consists of 19 matches (6 Boys Singles, 6 Girls Singles, 3 Boys Doubles, 3 Girls Doubles, 1 Mixed Doubles). The first team to reach 10 match victories is the winner. (Note: Mixed Doubles was added in 1999. Previous tournaments used number of set victories and number of points won as a tiebreaker.)

State Tournament Structure

From the Fall of 1983 until the Spring of 1986 a Conference 5A tournament was held in the Fall and a Conference 4A tournament was held in the Spring. From Fall 1986 until 2013, the State Tournament consisted of a 4A and 5A tournament in the fall semester each year. The current structure with three conferences began in 2014 with the addition of 6A.

At the state tournament level, semifinals and finals are played to determine the state champion. A consolation match was played from 1984-89. The 1983 Fall, 1984 Spring, 1985 Fall, and 1986 Spring used a round-robin format to determine a state champion.

From 1983 until 2012, the top two finishers in each district qualified for the state playoffs. Starting in 2013, the top four teams in each district advanced.

Location History

The state tournament has been held in three locations during its history. The event started in Austin on the campus of The University of Texas at the Penick-Allison Tennis Center (1983-97), then moved to the World of Tennis in Lakeway (1998-2010) before moving to its current location in College Station on the campus of Texas A&M University at the Mitchell Tennis Center (2011-).

Plano West - 2006 Conference 5A Team Tennis Champions

Wimberley - 2021 Conference 4A Team Tennis Champions

First year of UIL competition: 1975-76

Team Scoring

A team consists of 5-7 participants, the finishing place of its first five finishers count towards its total team score (1st place = 1 point, 2nd place = 2 points etc). The teams are then ranked from lowest team score to highest. Individual participants compete for the individual title only. Ties in team scoring are resolved by comparing the sixth-place finishers from the tying teams.

State Meet Structure

From 1975-79, the state meet consisted of Conferences 1A and B. Starting in 1980, Conferences 3A-5A replaced the old format. Conference 2A began in 1985, followed by Conference 1A in 1988. Conference 6A was added in 2014 to give the state meet its current structure.

From 1975-96, the top two teams and five individuals advanced from each district to the regional meet. The individuals could come from advancing teams. At the regional meet, the top three teams and 10 individuals qualified for the state meet with the

same individual qualifier rule as district meets. Starting in 1997, the number of individuals qualifying from district to regionals increased to 10 individuals. In 2014, the number of qualifying teams from regionals to state increased to four teams and the top 10 individuals not already on an advancing team.

Conferences 1A through 4A run 3,200 meters while Conferences 5A and 6A run 5,000 meters. All conferences ran a one-mile race in 1975 and a 1.5-mile race in 1976. From 1977-2010, all conferences ran a 3,200-meter race. (Note: The two largest conferences switched to 5,000 meters in 2011.)

Location History

The state meet has been held in three locations during its history. The event started at Zilker Park in Austin (1975-76), then moved to the Southwestern University Golf Course in Georgetown (1977-95). The cross country state meet has been at Old Settlers Park in Round Rock since 1996, although the course changed drastically in 2016.

Tulia - 2018 Conference 3A Girls Cross Country Champions

Wellington - 2021 Conference 2A Girls Cross Country Champions

1979 Boys Cross Country Starting Line

First year of UIL competition: 1972-73

Team Scoring

A team consists of 5-7 participants, the finishing place of its first five finishers count towards its total team score (1st place = 1 point, 2nd place = 2 points etc). The teams are then ranked from lowest team score to highest. Individual participants compete for the individual title only. Ties in team scoring are resolved by comparing the sixth-place finishers from the tying teams.

State Meet Structure

From 1972-79, the state meet consisted of Conferences 1A and B. Starting in 1980, Conferences 3A-5A replaced the old format. Conference 2A began in 1984, followed by Conference 1A in 1988. Conference 6A was added in 2014 to give the state meet its current structure.

From 1972-96, the top two teams and five individuals advanced

from each district to the regional meet. The individuals could come from advancing teams. At the regional meet, the top three teams and 10 individuals qualified for the state meet. Starting in 1997, the number of individuals qualifying from district to regionals increased to 10 individuals. In 2014, the number of qualifying teams from regionals to state increased to four teams and the top 10 individuals not already on an advancing team.

From 1972-79, all conferences ran a two-mile race. From 1980 until present day, all conferences run 5,000 meters.

Location History

The state meet has been held at four locations during its history. The event started at Town Lake in Austin (1972-74), followed by Zilker Park in Austin (1975-76), then moved to the Southwestern University Golf Course in Georgetown (1977-95). The cross country state meet has been at Old Settlers Park in Round Rock since 1996, although the course changed drastically in 2016.

Coppell - 2011 Conference 5A Volleyball Champions

First year of UIL competition: 1966-67

Match Format

During the post-season, teams play a best-of-five set match with each set played to 25 points using rally scoring. The fifth set is played to 15 points also using rally scoring. (Note: Prior to 2003, teams played a best-of-three set match with each set played to 15 points using side-out scoring in playoff matches.)

State Tournament Structure

From 1967-79, the state tournament consisted of Conferences 1A-4A and Conference B. Starting in 1980, Conferences 1A-5A were awarded state titles. When Conference 6A was added in 2014, five state champions were crowned in Conferences 2A-6A. A conference 1A playoff bracket and state champion were added in 2015, with conferences 1A and 2A aligned together throughout district play. The state tournament was played in the Spring from 1967-75, before being moved to the Fall in 1975 where it has resided ever since. (Note: The state tournament was played in both the Fall and the Spring semester in 1975.)

At the state tournament, semifinals and finals are played to determine the state champion. A consolation match was played from 1967-69.

Evolution of UIL Volleyball Playoffs

Season	# Playoff Teams advancing from each district
1967-82	1 team

1997-2005	3 teams 2A-5A; 2 teams 1A
2006-07	4 teams 5A; 3 teams other conferences
2008-12	4 teams 4A-5A; 3 teams other conferences
2013	4 teams 2A-5A; 3 teams 1A
2014	4 teams 3A-6A; 3 teams 2A
2015-	4 teams 2A-6A; 3 teams 1A (Aligned with 2A Regular Season)

Location History

The state tournament has been held in four locations during its history. The event started in Austin on the campus of The University of Texas at Gregory Gymnasium (1967-85), then moved to Toney Burger Center in Austin from 1985-99. From there the state tournament moved to San Marcos on the campus of Texas State University at Strahan Coliseum from 2000-11. In 2012 the Curtis Culwell Center in Garland became the host venue (2012-).

First year of UIL competition: 1920-21

Game Format

The UIL plays football by NCAA rules, with exceptions reviewed each year by the UIL Football Rules Committee. Games are four quarters in length with each quarter lasting 12 minutes. Prior to 1996, ties were decided by the number of penetrations past the opponents 20-yard line if tied after regulation in early-round playoff games. If tied after regulation in the state championship game, a pre-game agreement between the teams was implemented on whether to use penetrations or split the title. (Note: If both teams had equal penetrations, first downs and then total yards of offense were used to determine a winner.)

In 1996, overtime was introduced to determine games tied at the end of regulation.

Instant Replay for state championship games was added in 2018.

State Championship Structure

One state championship was awarded from 1920-47. From 1948-50, championships were awarded in Conference 1A, 2A and a City conference. From 1951-71, Conferences 1A-4A crowned state champions. Conference B, 6-Man and 8-Man championships were added in 1972. After the 1975 season, the 8-man conference was discontinued. In 1980, Conference B was eliminated and Conference 5A was added. In 2014 the current tournament format was created, crowning state championships in conference 1A-6A in Division I and Division II.

% - Split divisions postseason # - Split divisions preseason

For postseason split divisions, the top four teams in district play qualified for the playoffs. The two schools with the highest enrollment advance to Division I, and the two lowest enrollment schools advance to Division II. For split divisions preseason, teams are placed in districts before the season starts.

Location History

Prior to 2010, all state championship games were at locations agreed upon by both competing teams. In 2010, predetermined sites began with Conference 3A-5A taking place at AT&T Stadium in Arlington, Conferences 1A and 2A being held at Newsom Stadium in Mansfield and the 6-Man Conference title game occupying Shotwell Stadium in Abilene. In 2011, the 1A and 2A games moved to AT&T Stadium, and in 2013, the 6-Man Conference followed suit. (Note: The 2015 11-man state championship games were held at NRG Stadium in Houston. The 2015 6-man games were played at Shotwell Stadium.)
