The statewide standardized announcer script will be utilized, as completed in the online entry.

OFFICIAL CLOCK PROCEDURES

The clock procedures will be as follows. Official time will be kept on the stadium clock. **By UIL rule the announcement for each band’s performance will begin with :45 remaining on the 5:00 clock.** Please plan accordingly.

- The 5:00 minute clock will begin when the first student or pit crew member crosses the goal line, marked with yellow tape off sideline (front ensemble, props, alternates, drum major, or any other person deemed a part of the performance team).
- When the 5:00 minute clock shows :45 the announcement will begin.
- When the 5:00 minute clock shows :20 the clock will be reset to show 8:00. The remainder of the 5:00 set-up time will be kept on a stopwatch in the press box.
- The 8:00 minute clock will begin when the full 5:00 minutes of set-up time expires.
- Judges will be instructed to not begin judging until the 8:00 minute performance clock shows 7:59.
- The 2:00 minute field exit clock will start when it is apparent to the clock operator that the show is over.

If a band does not want to wait on the field for the 5:00 minute clock to run to :45 the band may hold in the end zone for a desired amount of time while the 5:00 minute clock runs.
