Who is eligible to enter TSSEC? All solos and ensembles that received a Division I rating on a Class 1 selection at the region solo or small ensemble contest during the current school year may enter TSSEC provided the solo was certified as being performed by memory at the region contest (exception: solos on the PML no-memory list).

When and where is the 2015 TSSEC?

How do I enter my students? The entry portal is open from March 1 to April 1 at: <http://utdirect.utexas.edu/tssec/index.WBX>.

I do not remember my UT EID or Password or do not have a UT EID. What do I do? Follow the instructions on the TSSEC entry page; and, if needed contact the UT Help Desk at 512-475-9400.

How do I pay our school's entry fees? This information will be shown on your invoice when you complete your entries.

How much are the entry fees? 2015 TSSEC entry fees are \$15/solo and \$7.50 per ensemble member.

When will I know our performance times? The master schedule will be released on or before May 4th.

May I request a specific performance time for my students? No. However, directors may request a specific day when the online entries are made.

After the schedule is released may I request a performance time change?

Requests for changes to performance times may be sent to music@uiltexas.org after the master schedule is released. These requests will be processed until 7 days prior to the contest as space becomes available. There is no guarantee that all requests will be honored.

I left a student out of my entries and the online portal is now closed. May I still enter this student? These entries are called “ad ons” and may be submitted via email. Contact the UIL State Music office at music@uiltexas.org for entry details. “Ad ons” will be scheduled as space becomes available.

I did not complete any of my entries prior to the April 1 deadline. May I still enter my students? Late entries may be submitted via email. Contact the UIL State Music office at music@uiltexas.org for details. Late entries will be scheduled as space becomes available. Each late entry will be assessed a \$20 late fee in addition to the existing entry fees.

Two of my students in a quintet will not be able to attend TSSEC. May I substitute other students in the group? Up to 50 percent of any ensemble at TSSEC may consist of students who were not in the group that qualified at the region contest. Those name substitutions should be done when the event entry is made. After the entry deadline these names may be sent to music@uiltexas.org up until May 15th.

May a solo or ensemble perform a different selection at TSSEC from the one performed at the region contest? Yes, provided that the new piece is a Class 1 from the PML that meets the performance requirements in the PML for that event code. Repertoire changes should be sent to music@uiltexas.org by May 15th.

What types of awards are given? Division I rating for a solo receives a gold medal; Division II rating for a solo receives a silver medal; Division I rating for an ensemble receives a bronze medal. Each solo judge may designate exemplary soloists as Outstanding Performers. The Outstanding Performer Award represents the attainment by an individual of superior musicianship as demonstrated in the exacting competition of the Texas State Solo-Ensemble Contest.
