The benefits of education and of useful knowledge, generally diffused through a community, are essential to the preservation of a free government.

SAM HOUSTON

Cultivated mind is the guardian genius of Democracy, and while guided and controlled by virtue, the noblest attribute of man. It is the only dictator that freemen acknowledge, and is the only security which freemen desire.

MIRABEAU B. LAMAR

School and community opinion should be so conditioned that every interschool contest dramatizes not only the reign of law but the reign of a higher law giving the Spirit of the rules precedence over the Letter, thus establishing a jurisdiction in which Conscience is the court of final appeal, empowered to confer the ultimate and most highly valued awards.

MESSAGE FROM THE
CHAIR OF THE LEGISLATIVE COUNCIL

Dear Students, Coaches, Administrators and Parents,

Since its creation in 1910, the University Interscholastic League has grown into the largest and finest organization sponsoring and promoting interscholastic competition in the world. Coaches, sponsors, and school administrators understand the importance of participating in activities that extend beyond the classroom, activities that push our students to do more and go farther. Students who participate in these activities learn persistence, the value of teamwork, leadership skills, and good sportsmanship.

Thank you for the opportunity to serve as the Chair of the UIL Legislative Council this year. This represents the ultimate honor in serving the UIL's member schools and the students of Texas. The Council is made up of 32 regionally elected school administrators who are responsible for establishing rules and policies that govern competitions and contests in the areas of fine arts, academics, and athletics.

On behalf of the Council, I want to express our great appreciation for the leadership of Dr. Charles Breithaupt. His vision and experience, along with his excellent and dedicated team, have kept the UIL strong, responsive, and ready to service all students across our state. I also want to thank you for your commitment and continued involvement in the UIL. Your support and input are critical to the continued success of the organization.

Lastly, best of luck to all of our participants as they strive to become this year's state champions!

Sincerely,

MESSAGE FROM THE PRESIDENT OF THE UNIVERSITY OF TEXAS AT AUSTIN

Dear UIL Participants:

While the most important work you do as a student is in the classroom, there is much more to learn and experience beyond your classroom studies. That is why I am so pleased you have chosen to participate in one or more UIL-sponsored activities this year. Through extra-curricular competition—whether academic, artistic, or athletic—you immerse yourself in experiences that instill the principles of teamwork and fair play, you develop respect for both yourself and your opponent, and you earn the satisfaction of setting goals for yourself and working hard toward achieving them. Winning can be deeply satisfying—though it is certainly not the sole measure of your success.

The relationship between the UIL and The University of Texas at Austin is historic and unique. The UIL was founded on UT's "Forty Acres" in 1910 and has been going strong ever since. I am exceptionally proud of this history and the important role that the UIL has played in the lives of students in Texas for more than a century. UT and the UIL are a perfect fit, because both place high value on excellence, integrity, and fairness. If a UIL competition brings you to Austin, I invite you to explore our campus and discover what UT Austin has to offer. I am confident that you will be inspired by the teaching, research, preservation, and artistic expression that takes place here every day.

You have my best wishes for a great year, both in the classroom and in your UIL competitions. Many wonderful adventures lie before you in life. You will experience them with your family and friends, during your working career, through your hobbies and avocations, and in the recreations and moments of solitude that you set aside for yourself. My advice is to enjoy and experience each to its fullest—including the wonderful moments and memories your UIL competitions will provide.

Sincerely,

A handwritten signature in black ink, appearing to read "Gregory L. Fenves".

Gregory L. Fenves
President

STATEMENT OF PURPOSE

The University Interscholastic League believes

that most students enjoy the pursuit of excellence and seek opportunities to test themselves against their own accomplishments and those of their peers,

that such opportunities are best provided through properly conducted and equitably administered competitive activities,

that the classroom is enriched by the flow of student energy into the more intensified arena of competition and back into the classroom.

Therefore, we reaffirm that students are the focus of our endeavor and deserve an opportunity to:

- refine physical and mental aptitudes,
- nurture self-realization and build self-confidence,
- feel a sense of pride and dignity,
- experience teamwork and develop a sense of fair play,
- develop the ability to lead and the willingness to follow,
- foster self-discipline and perseverance,
- appreciate that rules, consistently applied, create order and discipline,
- learn to accept graciously the decisions of judges and officials,
- affirm self-worth in times of disappointment as well as adulation,
- cultivate lifetime skills,
- complement their class work with practice and performance,
- have fun,
- experience the joy of achieving their potential in a wholesome environment and,
- discover that ultimately the true meaning of winning is doing one's best.

INTRODUCTION

The University Interscholastic League was created by The University of Texas at Austin to provide leadership and guidance to public school debate and athletic teachers.

In 1909, with the approval of the Board of Regents, Dr. S. E. Mezes, president of The University, organized and formed the Extension Bureau at The University to serve the state. He later created the Debating League of Texas High Schools as a part of The Constitution and Contest Rules Extension Division of The University. Almost simultaneously, he appointed a history professor, Dr. Charles W. Ramsdell, to the University Athletic Council and asked him to investigate the possibility of organizing an annual high school track meet, to be held at The University. After talking with public school officials across the state, Professor Ramsdell organized such a meet and then formed the Interscholastic Athletic Association to assure the continuance and improvement of the meet and other similar athletic activities.

In 1913, the Debating League of Texas High Schools and the Interscholastic Athletic Association were merged to form the extension program known from 1913 to the present as the University Interscholastic League, which is still operated by The University of Texas at Austin.

The UIL is the largest organization of its kind in the world, covering a larger geographic area, serving more public schools, scheduling a greater variety of contests, and holding more contests and meets than any other similar organization in the United States.

Public school administrators and contest sponsors believe that competitions organized and administered by educators, without interference from outside interest groups, have provided a useful channel for the energies and talents of the state's finest public school students.

Special attention is called to the following matters:

- (a) The rules published herein and citations to special bulletins, as well as notices in the "Official Notices" column of the Leaguer, constitute official notice to all UIL members.
- (b) It is the responsibility of each school district superintendent to submit application forms and see that payments for memberships are made prior to the prescribed deadline.
- (c) When a school district joins the UIL, it agrees to accept and observe the terms of participation in the contests as set forth in the Constitution and Contest Rules. When disputes arise, they shall be settled by the committees in the prescribed manner. This is a voluntary organization and all conditions surrounding participation are freely accepted. Both the letter and spirit of the rules are to be observed with genuine cooperation.
- (d) All persons involved in organizing, administering or sponsoring a UIL contest should familiarize themselves with rules governing participation, schedule and disposition of fees, definitions, eligibility rules, organization of the various meets, methods of settling disputes, etc. A Professional Acknowledgment Form shall be signed by all of the school district's coaches and sponsors of UIL activities.
- (e) Special rules should be studied by the directors of the respective events. Sponsors should be experts on the rules of the contests which they undertake, and if rules are not understood, the UIL office should be contacted for clarification.
- (f) These rules will be distributed to schools by the opening of the school session in August.
- (g) Official Interpretations of the State Executive Committee are in Appendix I. Those rules on which Official Interpretations have been issued are indicated within the rule.

The UIL program does not offer an activity for every student in the school. If a considerable group of students find participation in a contest educationally rewarding, then that program is justified from an administrative point of view. With the varied program offered by the UIL, a large percentage of public school students find at least one contest in which they can do well, thus enjoying the rewards of fair competition.

It is the mission of the University Interscholastic League to continue a focus on the educational aspects of contests and on the positive benefits to Texas public school students.

CHARLES BREITHAUP, Executive Director
University Interscholastic League

In addition to any particular sanction or penalty stated in a specific rule, students found to have violated UIL rules are subject to the imposition of penalties consistent with the following guidelines.

An enhanced penalty for such violators may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years.
 - (B) **Prior Conditions/Probation** - In cases where a Category A violation is found and the student has failed to comply with previously imposed conditions due to a prior violation of UIL Rules or has committed a Category A violation during a previously imposed probationary period, the penalty for a Category A violation may be enhanced.  - (C) **Intent/Harm** - In cases where a Category A violation is found to be deliberate and to have provided a competitive advantage to the student violator or the violation caused physical harm to a person or property, the penalty for a Category A violation may be enhanced. An enhanced penalty for such violators may include reasonable conditions and/or the imposition of a probation period of up to three (3) years and may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years.

- (D) Other Factors - In cases where a Category A violation is found and two (2) or more enhancement factors are present or there are other circumstances found that in the opinion of the State Executive Committee Hearing Panel warrant increased sanctions, the penalty may be enhanced. An enhanced penalty for such violators may include reasonable conditions and/or the imposition of a probation period for up to three (3) years and may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years.

In addition to any specifically required sanction or penalty for violation of a particular rule as set out in the Constitution and Contest Rules and absent any grounds for enhancement, the minimum penalty for a Category B violation is a public reprimand. A public reprimand shall be in writing and shall state the violation found.
- (6) Enhanced Penalty Factors.
 - (A) Repeat Offense - In cases where a Category B violation is found and the student has previously been found in violation of the same rule, the penalty may be enhanced. The State Executive Committee shall forfeit the contests(s) won by the individual or school, as a minimum penalty, if it finds that an individual contestant was not eligible to participate in the contest. Exception: When a student who has participated in contests that count on UIL standing is found to be ineligible, and the school has properly verified eligibility based on the facts available, has exercised sufficient diligence in determining actual conditions and facts, and the District Executive Committee has previously ruled the student eligible, the State Executive Committee may find the student in question ineligible from the date of the hearing, and thus not require the member school to forfeit contests.

- (d) **UIL MEMBER SCHOOL PENALTY GUIDELINES.** Violations of UIL rules by UIL member schools, school student representatives, patrons, personnel or fans generally fall into two (2) categories, Category A and Category B. (See Section 52). As set out in this section, the penalties that may be imposed on UIL member schools for such violations are reprimand, public reprimand, forfeiture of contest, disqualification from germane activity and suspension. In determining penalties to be imposed on member schools, the State Executive Committee hearing panel shall give due consideration to the

guidelines below. These guidelines are intended to provide a hearing panel of the State Executive Committee with general guidance only and are not intended as substitute for a careful review of each case and, based upon the facts of each case, the exercise of appropriate discretion by the hearing panel when determining a penalty to impose on a member school.

In addition to any particular sanction or penalty stated in a specific rule, UIL member schools, school student representatives, patrons, personnel or fans found to have violated UIL rules subject the member school in question to the imposition of penalties consistent with the following guidelines:

- (1) **Category A Violations.** Category A violations for member schools are violations of state law and rules of the State Board of Education in regards to:
 - (A) failing to comply with applicable state laws regarding previous and current academic requirements;
 - (B) failing to comply with applicable rules of the state board of education regarding previous and current academic requirements;
 - (C) failing to comply with applicable rules of the state board of education regarding loss of school time requirements; or
 - (D) failing to comply with applicable state laws regarding extracurricular activities.
- (2) **Minimum Penalty.**
 - (A) In addition to any specifically required sanction or penalty for violation of a particular rule as set out in the Constitution and Contest Rules and absent any grounds for enhancement, the minimum penalty for a Class A violation is a public reprimand. A public reprimand shall be in writing and shall state the violation found. A public reprimand may include a probationary period of up to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in a more stringent penalty.
 - (B) The State Executive Committee shall require forfeit of a contest(s) won by an individual or school, as a minimum penalty, if it finds that an individual contestant was not eligible to partici-

pate in the contest. However, when a student who has participated in contests that count on UIL standing is found to be ineligible, and the school has properly verified eligibility based on the facts available, has exercised sufficient diligence in determining actual conditions and facts, and the District Executive Committee has previously ruled the student eligible, the State Executive Committee may find the student in question ineligible from the date of the hearing, and thus not require the member school to forfeit contests.

- (3) **Enhanced Penalty Factors.**
 - (A) **Repeat Offense** – In cases where a Category A violation is found and the school in question has previously been found in violation of a Category A rule, the penalty may be enhanced. An enhanced penalty for repeat Category A violators may include a probationary period of up to three (3) years and may also include the imposition of reasonable conditions which must be fulfilled. An enhanced penalty for such violators may also include a period of suspension or disqualification from district honors. If imposed, suspension shall deny participation in specified UIL activities for a period of one (1) day to three (3) years. Suspension and disqualification from district honors may include a probationary period of one (1) day to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in additional suspension or a more stringent penalty.
 - (B) **Prior Conditions/Probation** – In cases where a Category A violation is found and the school in question has failed to comply with previously imposed conditions due to a prior violation of UIL rules or has committed a Category A violation during a previously imposed probationary period, the penalty for a Category A violation may be enhanced. An enhanced penalty for such violators may include a requirement that prior conditions be satisfied as well as any new reasonable conditions imposed

and/or the imposition of a probationary period of up to three (3) years. The penalty may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years or disqualification from district honors. If imposed, suspension shall deny participation in specified UIL activities for a period of one (1) day to three (3) years. Suspension or disqualification from district honors may include a probationary period of one (1) day to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in additional suspension.

- (C) Intent/Harm - In cases where a Category A violation is found to be deliberate and to have provided a competitive advantage to the violator or the violation caused physical harm to a person or property, the penalty for a Category A violation may be enhanced. An enhanced penalty for such violators may include forfeiture of a contest, disqualification, reasonable conditions and/or the imposition of a probation period of up to three (3) years and may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years. If imposed, suspension shall deny participation in specified UIL activities for a period of one (1) day to three (3) years. Suspension or disqualification from district honors may include a probationary period of one (1) day to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in additional suspension.
- (D) Other Factors – In cases where a Category A violation is found and two (2) or more enhancement factors are present or there are other circumstances found that in the opinion of the State Executive Committee hearing panel warrant increased sanctions, the penalty may be enhanced. An enhanced penalty for such violators may include forfeiture of a contest, disqualification, reasonable conditions and/or the

imposition of a probation period for up to three (3) years and may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years. If imposed, suspension shall deny participation in specified UIL activities for a period of one (1) day to three (3) years. Suspension may include a probationary period of one (1) day to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in additional suspension.

- (E) Mandatory Disqualification – The State Executive Committee shall disqualify a member school or member from all germane activities if the member school or school district has failed materially and knowingly to comply with the UIL Constitution and Contest Rules, or if the member school has knowingly and intentionally permitted an ineligible individual to represent it in a UIL contest, or if the member school or school district had competed against or participated in a tournament with a non-school team composed of one or more UIL member school students with remaining eligibility in that sport, a violation of Section 1208. In addition, a more stringent penalty may be assessed. The State Executive Committee has the option not to replace a team that is disqualified from the playoffs at or near the certification date for district representatives.
- (4) Category B Violations. Category B violations for participant or member schools are:
 - (A) Failing to comply with the UIL Constitution and Contest Rules, when not in conflict with State Board of Education rules or regulations.
- (5) Minimum Penalty. In addition to any specifically required sanction or penalty for violation of a particular rule as set out in the UIL Constitution and Contest Rules and absent any grounds for enhancement, the minimum penalty for a Category B violation is a reprimand. A reprimand shall be in writing and shall state the violation found but shall not be published in the Leaguer. At the discretion of the hearing panel, the reprimand may be made public.

(6) Enhanced Penalty Factors.

- (A) Repeat Offense – In cases where a Category B violation is found and the school in question has previously been found in violation of a Category B rule, the penalty may be enhanced. An enhanced penalty for repeat violators of a Category B violation may include a probationary period of up to three (3) years and may also include the imposition of reasonable conditions which must be fulfilled.
- (B) Prior Conditions/Probation – In cases where a Category B violation is found and the school in question has failed to comply with previously imposed conditions due to a prior violation of UIL rules or has committed a Category B violation during a previously imposed probationary period, the penalty for a Category B violation may be enhanced. An enhanced penalty for such violators may include a requirement that the prior conditions be satisfied as well as any new reasonable conditions and/or the imposition of a probationary period of up to three (3) years.
- (C) Intent/Harm - In cases where a Category B violation is found to be deliberate and to have provided a competitive advantage to the school in question or the violation caused physical harm to a person or property, the penalty for a Category B violation may be enhanced. An enhanced penalty for such violators may include reasonable conditions and/or the imposition of a probation period of up to three (3) years. The penalty may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years. If imposed, suspension shall deny participation in specified UIL activities for a period of one (1) day to three (3) years. Suspension may include a probationary period of one (1) day to three (3) years, and may include any reasonable conditions, which, if not fulfilled, may result in additional suspension.
- (D) Other Factors – In cases where a Category B violation is found and two (2) or

more enhancement factors are present or there are other circumstances found that in the opinion of the State Executive Committee hearing panel warrant increased sanctions, the penalty may be enhanced. An enhanced penalty for such violators may include reasonable conditions and/or the imposition of a probation period for up to three (3) years. The penalty may also include a period of suspension from competition, including practices, in all germane activities for a period of one (1) day to three (3) years. If imposed, suspension shall deny participation in specified UIL activities for a period of one (1) day to three (3) years. covered school district employee suspending the employee from participating in any germane contest plan for a period of one (1) day to three (3) years. Suspension shall include refraining from coaching at least one (1) contest. The Executive Director shall send the appropriate number of ballots to the superintendent of each member school district. To be counted a ballot must be received by the Executive Director by the reasonable date specified by the Legislative Council and must be signed by the superintendent. An affirmative vote by a majority of the ballots cast is required to amend the Constitution. The Executive Director shall take custody of the ballots and retain them. (According to Section 26 the State Executive Committee is responsible for conducting any necessary recount of a referendum vote.)
- (c) **OTHER CHANGES.** If it determines that the change does not involve a major change in UIL policy, the Legislative Council may by majority vote, amend the Constitution without submitting the amendment to the member school districts.
- (d) **POLICIES OF THE UNIVERSITY OF TEXAS AT AUSTIN.** Neither the member school districts nor the Legislative Council may amend the Constitution if the proposed amendment is inconsistent with policies of The University of Texas at Austin.

Subchapter I. CONFERENCES AND DISTRICTS

Section 350: ESTABLISHING CONFERENCES

Before May 1 of each even numbered year, the UIL shall establish conferences for League contests and assign each member school wishing to compete in UIL activities to an appropriate district in accordance with reclassification and realignment policies as approved by the Legislative Council. These conferences and districts shall be maintained for the next two school years. The Executive Director shall promptly notify each member school of its conference and the district to which it has been assigned and of the identity of the other schools in the district and notify each member school district of the assignments of its member schools.

Section 351: CONFERENCE BASED ON ENROLLMENT

- (a) ENROLLMENT. Member schools shall be assigned to a conference on the basis of enrollment on a date from the previous October. Schools will include all resident students including those in alternative settings. The formulas used to determine enrollment shall be:

- (1) Schools with four high school grades (9-12) and three-year high schools (grades 10-12) which will receive incoming tenth graders from specific, identifiable feeder schools:
Grades 9, 10, 11, 12 = Enrollment
- (2) Schools with only grades 10, 11, 12 when it cannot easily be determined which schools the ninth graders will attend as tenth graders:
Grades 10, 11, 12 x 1.33 = Enrollment
- (3) Schools choosing to participate in 1A football may submit enrollment figures by any one of the following combinations of grades: grades 9, 10, 11 and 12; grades 8, 9, 10 and 11; grades 7, 8, 9 and 10; or grades 9 and 10 doubled.

If no prior enrollment figures are available for the specified date, assignment of a participant school just admitted to competition shall be on the basis of the projected enrollment. A non disciplinary 'alternative' school such as a magnet or ISD charter school within the same independent school district shall be assigned to a conference upon the basis of the enrollment of the school in its member school district having the largest enrollment. Schools that have established attendance zones do not fit the definition of a non disciplinary 'alternative' school even if they operate a non disciplinary 'alterna-

tive' school program with optional attendance zones.

- (b) CONFERENCES. Member high schools shall be divided into conferences for the 2018-19 and 2019-20 school years according to the following enrollments:

Conference 6A.....	2190 and above
Conference 5A.....	1150-2189
Conference 4A.....	505-1149
Conference 3A.....	225-504
Conference 2A.....	105-224
Conference 1A.....	104.9 and below

For the 2018-19 school year, there are approximately the following number of basketball schools in each conference:

Conference 6A.....	255
Conference 5A.....	253
Conference 4A.....	189
Conference 3A.....	233
Conference 2A.....	197
Conference 1A.....	212

Section 352: NON-HONORS FOOTBALL

A school which has been elevated one conference to avoid extreme travel situations may be assigned on a non-honors basis to a football district.

Section 353: FOOTBALL COMPETITION BY A NEW SCHOOL

A member school just admitted to competition in the UIL shall be assigned to a conference for football competition only at the beginning of an even-numbered year. (See Official Interpretation 01-09-18, Appendix I).

Section 354: FIRST APPEAL: DISTRICT REASSIGNMENT BY AGREEMENT

Subject to Section 355 (b) below for release of the football and basketball alignments, if within one month after the district assignments have been released for other activities, a school that is not satisfied with its assignment obtains the unanimous written approval by the superintendents of the schools in the district to which it was assigned and of the schools in the district to which it wants to be assigned, and the contiguous relationship of all of the schools involved is not disturbed by the proposed reassignment, the school is entitled to be reassigned as it proposed. A school may appeal to be assigned to a district within a higher conference than that to which its membership qualifies it, and if the appeal is granted, it will be assigned to the higher conference for all UIL activities. Exception: Music. A school shall not appeal to be assigned to a district

within a lower conference than that to which it is assigned. The school shall promptly inform the Executive Director of the proposed reassignment, furnishing the supporting statements. If the Executive Director finds that the school is entitled to be reassigned, the Executive Director shall reassign the school as it proposed and shall notify all the other schools and school districts concerned of the district reassignment.

Section 355: DISTRICT ASSIGNMENT APPEALS COMMITTEE

- (a) **APPEAL COMMITTEE.** The chair of the Legislative Council shall appoint from the Legislative Council the members of the District Assignment Appeal Committee and designate a chair.
- (b) **REQUEST.** Within 10 days after the conference and district assignments have been released, a school whose first appeal was denied by the sending and/or receiving district may request a review of the district assignment by filing its request and a supporting statement with the District Assignment Appeal Committee and informing in writing the superintendent and principals of the schools in the district to which it was assigned and in the district to which it wishes to be assigned.
- (c) **RULES.** The Committee shall adopt and publish rules of procedure to be followed in the reviews.
- (d) **REVIEW.** Upon receipt of a timely request for review, the Committee shall set the date for the review and inform the applicant school and the schools in the affected districts of the time and place of the review. Parties may provide oral testimony.
- (e) **MEMBER INVOLVED.** If a member of the Committee is involved in the appeal, that member shall abstain from deliberations and voting, and the chair of the Legislative Council shall appoint a member of the Council to sit in that member's place.
- (f) **GROUND FOR CONFERENCE REVIEW.** The only ground for review of conference assignment is an error in the enrollment basis. It is not considered an error in enrollment when a school wants to revoke its decision to be elevated one conference after the deadline for making this decision has passed. Schools shall not appeal to be assigned to a smaller conference based on evidence that they submitted figures that were too high, unless original documents verifying the error(s) are presented to the UIL staff prior to the release of the cutoff figures. A charter school that is physically located within the boundaries of

an independent school district with three or more high schools, and is placed in a conference higher than the one for which its enrollment qualifies it, may appeal its conference assignment according to the UIL reclassification and realignment policies.

- (g) **DECISION OF THE COMMITTEE.** The Committee shall make a decision in writing within two days after the review. The Executive Director shall promptly inform the applicant school and the schools in the affected districts of the decision.

Section 356: FINAL DISTRICT ASSIGNMENTS AND CONTRACTING GAMES

- (a) When all reviews and appeals of conference decisions and assignments to districts have been made, the conferences and assignments to districts shall be final.
- (b) Until the conferences and assignments to districts are final, contracts for contests by schools are not valid.
- (c) A school may be disqualified for district honors for up to two (2) years in that sport for contracting games with other Texas schools prior to the finalization of the reclassification and realignment by all UIL appeal committees. Athletic schedules will not be considered official until approved by the superintendent of the member school district.

Subchapter J. NON-DISCRIMINATION IN UIL CONTESTS

Section 360: NON-DISCRIMINATION POLICY

Failure to comply with the provisions of this subchapter constitutes an act or omission that is a violation of the Constitution. Except as provided for below, no student otherwise eligible under Subchapter M of the Constitution shall be denied, because of disability, race, color, gender, religion or national origin, the equal opportunity to try out for and, if selected, participate in the Academic, Music, and Athletic Plan contests offered by the member school districts.

- (a) Member schools may not permit boys to try out for, or participate under the Jr. High School or High School Athletic Plans designated for girl's teams.
- (b) Member schools that offer Cross Country, Golf, Swimming, Tennis, Track and Field and/or Wrestling individual athletic plans may not permit mixed plans for boys and girls in those activities.
- (c) Member schools offering mixed or coed Team Tennis in which the game rules designate a certain number of team participants from each gender, may not permit boys to qualify for girls'

positions on the mixed teams nor permit girls to qualify for boys' positions on the mixed teams.

- (d) Girls may try out for, and if selected, participate on the corresponding boys' team if the member school does not offer a corresponding girls' plan for basketball, and/or soccer. Otherwise, a member school that offers any of these plans may not permit boys to participate on the girls' teams, nor girls to participate on boys' teams in these activities. UIL considers the following to be corresponding sport athletic plans: boys and girls basketball; boys and girls soccer.
- (e) Girls may try out for and, if selected, participate in the Junior High School or the High School Football Plan.
- (f) Girls may try out for and, if selected, participate in the Junior High School or High School Baseball Plan, however, girls shall not participate in both baseball and girls' softball at the same time.
- (g) Boys may not wrestle against girls, and vice versa. This prohibition is only applicable when the contest is held in Texas or in any other state that sponsors wrestling programs for both boys and girls.
- (h) Gender shall be determined based on a student's birth certificate. In cases where a student's birth certificate is unavailable, other similar government documents used for the purpose of identification may be substituted.

Before June 1 the Executive Director shall announce the official calendar for UIL contests for the coming year.

Section 382: RESCHEDULING CONTESTS

If it appears not to be feasible to hold a contest at the scheduled place or time because of weather, facilities or other cause, the Executive Director shall determine where, when, or if the contest will be held.

- (a) Non-Traditional School Year. See Section 5 for definitions of traditional school year, summer vacation, non-traditional school year and intersession.
- (b) Rules Applicable During School and Intersessions.

- (c) Rules Applicable Specifically During Summer Vacation Months. Activities that are allowed only during summer vacation are not allowed during intersessions unless the intersession falls within the summer months.

Subchapter M. ELIGIBILITY

Section 400: STUDENT'S ELIGIBILITY FOR ALL UIL CONTESTS

Subject to the other sections of this subchapter, an individual is eligible to participate in a UIL varsity contest as a representative of a member school if that individual:

- (a) is not a high school graduate (See Section 405);
- (b) is a full-time, day student in the member high school the student represents (See Section 406, academic exception, Section 906 and Official Interpretations 08-09-10, 99-04-20, 10-03-12 and 00-99-13, Appendix I);

- (c) has been in regular attendance at the member school since the sixth class day of the present school year or has been in enrolled and in regular attendance for 15 or more calendar days before the contest or competition (student becomes eligible on the fifteenth day) (See Section 407 and Official Interpretation 95-11-09, Appendix I);
 - (d) is in compliance with rules of the State Board of Education; (See Section 404 and state law regarding credit requirements and grades (the school shall verify a student's grades on the basis of the official grade report and independently of involvement by the student);
 - (e) has the required number of credits for eligibility during the first six weeks of school (See Section 411);
 - (f) is enrolled in a four-year program of high school courses (See Section 408);

 - (h) was not recruited (See Section 5 and section 409);
 - (i) is not in violation of the Awards Rules (See Section 480); and

 - (d) is an amateur (See Section 441);
 - (e) was eligible according to Section 400 (c) (fifteen calendar day rule) and Section 403 (f) (residence rule) at the member school the student wishes to represent prior to the deadline for district certification (non-compliance results in ineligibility only in post-district competition in that sport); and
 - (f) is a resident of the member school district (See Section 442), and a resident of the attendance zone in which the member school being attended is situated,
 - (1) or has been continuously enrolled in and regularly attending the school for at least the previous calendar year if his or her parents do not reside within the school district's attendance zone; see (5) (B) below for exception. Note: A student who has changed schools for athletic purposes may be declared ineligible for more than one calendar year. See Section 443 (f) (3). For students placed on a waiting list for admittance to an open enrollment charter school that is a member school, the earlier of the first day of enrollment or the first day of school for the school year following the date of application begins the time frame for compliance with the exception noted in this section.
 - (2) or the student is attending a school outside the attendance zone where the parents reside because the school board or other appropriate authority changed district or attendance zone lines.
 - (3) or is a transfer student from a public 8-grade ISD not containing a high school, who transferred at the first opportunity:
 - (A) to select a high school with geographical boundaries contiguous to his or her K-8 school;

 - (C) to the high school located nearest the student's residence.
 - (4) Intra-District Transfers. A student who has an option to attend more than one high school within a school district, rather than

Section 401: ELIGIBILITY - ACADEMICS

- (a) meets all the requirements of Section 400; and
- (b) did not change schools for the purpose of participating in a UIL academic contest.

Section 402: ELIGIBILITY - MUSIC

Subject to the other sections of this subchapter, an individual is eligible to participate in a UIL varsity music contest as a representative of a member school if that individual:

- (a) meets all the requirements of Section 400; and
- (b) did not change schools for the purpose of participating in a UIL music contest.

Section 403: ELIGIBILITY - ATHLETICS

Subject to the other sections of this subchapter, an individual is eligible to participate in a UIL varsity athletic contest as a representative of a member school if that individual:

being assigned to a school according to attendance zones, is eligible at the school first selected if he/she transfers at the first opportunity. If a student subsequently transfers to another school, the student is not eligible for varsity athletic competition until he/she has been in and regularly attended that school for at least the previous calendar year.

(5) Foreign Exchange Students.

- (A) Foreign exchange students are ineligible for varsity athletic contests the first year they attend a member school unless they are granted a waiver of the parent residence rule as outlined in Sections 465 and 468.
- (B) Foreign exchange students who receive a Foreign Exchange Waiver and participate in UIL varsity athletic contests during their first year in the host school may not participate in those same contests if they return for a second year to the host school. The student may, however, participate in any other UIL varsity sport.

See Official Interpretations 01-09-18 and 10-03-12, Appendix I

(6) Charter Schools:

- (A) Students whose parents live within the boundaries of an independent school district where a charter high school is located and opt to attend the charter high school at their first opportunity to select a high school and are otherwise in compliance with varsity eligibility requirements, are eligible.
- (B) Students whose parents live within the independent school district where the charter school is located, who do not select the charter high school at their first opportunity, are ineligible for varsity athletic competition unless they have been enrolled in and regularly attending the charter high school for at least the previous calendar year.
- (C) Students whose parents reside outside the boundaries of the independent school district where the charter school is located are ineligible for varsity athletic competition unless they have been enrolled in and regularly attending the charter school for at least the previous calendar year.

- (7) A student who has established varsity eligibility under this section at a member school but who subsequently changed schools to another member school zone and is found to have changed schools for an impermissible reason, remains eligible at the school where eligibility was first established without the need of a waiver. A student must reenroll in the school where eligibility was previously established within thirty (30) days of being found ineligible at the school the student moved to for this provision to apply. The Executive Director or his or her designee may inquire into such cases and may make a determination regarding a student's qualification for this exception to the parent residence rule.
- (8) This section and the rules cited herein shall be interpreted and applied to the extent reasonably possible so that, absent a specific sanction barring athletic participation, a student who meets basic varsity athletics eligibility requirements should have UIL varsity athletics eligibility at a UIL member school. This is a general rule of construction that may be impacted by the facts of a given case.

Section 404: STATE LAW

- (a) INTERPRETATION OF STATE LAW. The Commissioner of the Texas Education Agency delegated hearing authority over matters pertaining to the enforcement of applicable state law to the UIL. UIL staff opinions should be requested on all state laws relating to UIL eligibility, and rules and regulations promulgated by the State Board of Education or the Texas Education Agency regarding the following as they apply to UIL eligibility:
 - (1) grades;
 - (2) credit requirements;
 - (3) number of contests per school week;
 - (4) limit on practice and performance per school week; and
 - (5) limit on school year absences for extracurricular activities.
- (b) SOURCES OF INFORMATION. In addition to calling or writing UIL staff, the UIL publishes a manual available to member schools entitled TEA-UIL Side By Side that contains interpretations and answers to frequently asked questions. It is available on request, and is on the UIL website.
- (c) VENUE. In accordance with Texas Education Code 67.26, any lawsuit filed against the UIL shall be filed in Travis County.

Section 405: HIGH SCHOOL GRADUATE

- (a) **COMPLETION OF HIGH SCHOOL.** A person is considered a high school graduate if that person received a diploma or other certificate signifying successful completion of high school from a high school or other institution of equal or higher rank, participated as a graduate in the graduation exercises of a high school, or complied with the requirements for graduation during a four-year program, whether or not the student participated in the graduation exercises. However, a student who has accumulated enough credits to satisfy graduation requirements prior to the end of four years, but remains in school as a full time student, is not considered a high school graduate under this rule.
- (b) **GED TESTING PROGRAM.** A student who receives an equivalency credential based on the General Education Development Testing Program is not considered a high school graduate, if that student remains in or returns to high school, and has not otherwise met the requirements for high school graduation.
- (c) This section shall not disqualify a contestant who is eligible in all other respects at the time of spring graduation. This exception refers only to contestants whose UIL competition extends into the summer from the end of the school year.

Section 406: FULL-TIME DAY STUDENT

A person is considered a full-time day student if that person:

- (a) is enrolled and attends classes in a member school for which the current year's membership fee has been paid, or is enrolled in the ninth grade or tenth grade on a campus separate from the high school, and who will, by school district policy and not by choice, attend a specific high school (See Official Interpretation 05-09-01, Appendix I);
- (b) is enrolled in the number of courses required by state law and by rules of the State Board of Education; and
- (c) is in compliance with written transfer and admission policies of the local school district.
- (d) Subject to local school district discretion, students attending non disciplinary 'alternative' schools such as magnet or ISD charter schools within the same independent school district that do not offer UIL participation opportunities, may be in compliance with this section and eligible to participate in the division (Academics, Athletics, Music) of UIL activities not offered at the non disciplinary 'alternative' school. A student's eligibility under

these circumstances would be at the school the student would attend based on the residence of the parent's of the student and/or the school the student would attend by school district policy if they were not enrolled in the non disciplinary 'alternative' school.

- (e) A student participating in UIL activities at a member school under (d) above or official State Executive Committee Interpretation 10-03-12 or 00-09-13 could do so by completing and filing the Non-Disciplinary Alternative School Student Participation Form with the applicable school, District Executive Committee and the UIL office prior to said participation.

Section 407: REGULAR ATTENDANCE

- (a) A student is in regular attendance even though he or she is absent for 10 class days or less after enrolling in school because of illness or other unavoidable cause, if the parent or guardian submits a written statement certifying this as the reason for the absence and the principal approves the absence.
- (b) Except for an otherwise eligible student who is a dependent of a parent or guardian who is active duty military, a student who does not enroll in and attend school within the first six class days is ineligible to participate until the 15th day after enrollment and attendance. In each case where applicable, the superintendent or their designee shall certify to the appropriate District Executive Committee that, based on reasonable evidence, the active duty military exception noted above applies.
- (c) Students who are in an alternative program under Texas Education Code, Section 37.006 may resume UIL participation on the first day they return to regular classes, with local school district approval.

Section 408: FOUR-YEAR PROGRAM OF HIGH SCHOOL COURSES

- (a) A student may participate in UIL contests during a program of high school courses over a period of four consecutive years after the student first enrolls in the ninth grade. A student is considered to be enrolled in the ninth grade the day of that student's registration as a ninth grader and attendance in a full class period at the ninth grade level.
- (b) Students who never entered the ninth grade but were placed into the tenth grade have three consecutive years from their first entry into tenth grade to complete their high school eligibility.

- (c) Over-age eighth grade students who participate on the high school varsity athletic team have four consecutive years, including grade eight, to complete their high school athletic eligibility. See Section 1478 (b).

Section 409: RECRUITING

Recruiting is not only a violation by the student who has been recruited, but it is also a violation by the school and/or the school district personnel who recruited the student. It is a violation to recruit at all grade levels.

Section 410: BURDEN OF PROOF

- (a) **ELIGIBILITY.** If a student's eligibility to compete in a UIL contest is questioned, the student has the burden in any proceeding to establish by the preponderance of the evidence that he or she is eligible.
- (b) **ALLEGATIONS OF VIOLATIONS.** If a District Executive Committee or the State Executive Committee determines that a complaint or report of a violation has enough validity or substance to hold a hearing, the burden by the preponderance of the evidence to disprove the allegations at issue rests with the member school, member school district or covered school district personnel charged with the violation.

Section 411: CREDIT REQUIREMENTS FOR ELIGIBILITY DURING FIRST SIX WEEKS

The standards below determine academic eligibility for the first six weeks of the school year. Students in non-compliance may request a hardship appeal of their academic eligibility through the UIL.

- (a) **GRADES NINE AND BELOW.** Students must have been promoted from the previous grade. (See Official Interpretation 01-09-18 Appendix I).
- (b) **SECOND YEAR OF HIGH SCHOOL.** Five accumulated credits that count toward state graduation requirements.
- (c) **THIRD YEAR OF HIGH SCHOOL.** Ten accumulated credits that count toward state graduation requirements or student must have earned at least five credits within the last twelve months that count toward state graduation requirements.
- (d) **FOURTH YEAR OF HIGH SCHOOL.** Fifteen accumulated credits that count toward state graduation requirements or student must have earned at least five credits within the last twelve months that count toward state graduation requirements.

Section 412: ACCOMODATIONS FOR DISABILITY

Students with disabilities as defined by section 504 of the Rehabilitation Act and/or Title II of the Americans With Disabilities Act, who are currently being served under either or those acts, may apply to the UIL staff for accommodations to applicable contest rules or playing rules. Contact the UIL office or visit the UIL website for details and an application.

Section 441: AMATEUR ATHLETIC STATUS

The amateur rule starts the first class day of a student's ninth grade year, and is in continuous effect during the school year and summer months until all athletic competitions are completed in the 12th grade. The student at all times (whether in school or outside school) shall abide by the letter and intent of amateurism, as set forth in this section. Schools are charged with the responsibility of informing students of all applicable subsections of this rule and enforcing this rule. Administrators and coaches must ensure that athletes receive only services specifically permitted by written rule. Any breach of the rule undermines the educational goals of interscholastic athletics.

- (a) **NOT AN AMATEUR.** For purposes of competing in an athletic contest, a student in grades 9-12 is not an amateur if that individual, within the preceding 12 months:
 - (1) except as provided otherwise in this section, received money or other valuable consideration for participating in a UIL sponsored school sport;
 - (2) received valuable consideration for allowing his or her name to be used in promoting a product, plan or service related to a UIL sport or contest; or
 - (3) accepted money or other valuable consideration from school booster club funds for any non-school purpose.
 - (4) For the purposes of this section, "participating" means taking part or playing any role in the covered sport or otherwise being involved in any practice, game or contest of the covered sport, as a coach, player, manager, assistant, or any other involvement besides that of a spectator. A game or activity involving chance not sponsored by the UIL but that may also involve a student using some athletic skill or ability does not constitute "participating" under this section. Such a game or activity would be a "half-court shot" contest as part of a marketing program or throwing balls at a target for a prize. "Teaching" and "coaching" are synonymous terms.

- (5) For the purposes of this section a "UIL sponsored school sport" is any sport that is sponsored by the UIL as either a regular approved UIL activity or pilot program and that is made available through the school the student attends. For example, baseball is a UIL sponsored sport and is covered by this rule, regardless of the level of competition involved or organization that is administering the game in which the sport is played.
- (b) EXCEPTIONS:
 - (1) Students may accept reasonable fees that do not exceed local prevailing rates for teaching or coaching activities.
 - (2) Students may accept reasonable fees that do not exceed local prevailing rates for officiating athletic contests.
 - (3) Seniors may sign a letter of intent or scholarship agreement which contains the conditions of a scholarship with a postsecondary institution.
 - (4) For purposes of competing in an athletic contest, the member school, school district or a student's parent(s) may provide medical examination and services, athletic insurance, transportation and other travel expenses incurred in competing away from home, or supplies and services during and in connection with a game or practice period. Jerseys or game shirts may be worn on game day as well as during practice or competition, with school district approval.
 - (5) Participant schools and member school districts may permit student athletes to attend contests by permit admission through a pass gate.
 - (6) A student-athlete in grades 9-12 may accept funds that are administered by the United States Olympic Committee (USOC) or other national governing body.
 - (7) Student athletes may accept small "goodie bags" consisting of cookies, candy and symbolic gifts from their classmates, if allowed by local school policy.
 - (8) Student athletes may accept travel expenses and attend free banquets in connection with an awards ceremony to accept a national and/or state-wide award, after completing their eligibility in that sport.
 - (9) Meals. The local school district determines when, how and from whom student athletes can receive meals and snacks.
 - (10) This rule is sport-specific. For example if a student violates the rule in one sport that student would be ineligible for that sport only.
- (c) STATUS REGAINED. If a student did not realize that accepting the valuable consideration was a violation of the amateur rule and returns the valuable consideration within 30 days after being informed of the violation, that student may regain athletic eligibility as of the date the valuable consideration is returned. If a student fails to return it within 30 days, that student remains ineligible for one year from when he or she accepted it. During the period of time a student is in possession of valuable consideration, he or she is ineligible for varsity athletic competition in the sport in which the violation occurred. Any games or contests in which the student participated during that time would be forfeited as the minimum penalty.
- (d) TEAM VIOLATION. If the team violates this section, the penalty shall be assessed against the team and not against each individual.

Section 442: RESIDENCE IN SCHOOL DISTRICT AND ATTENDANCE ZONE

This section applies to the first calendar year of attendance in grades 9-12. Parent(s) in the context of this rule means parents or adoptive parents who adopted the student prior to the student's first entry in the ninth grade.

- (a) PRESUMPTION OF RESIDENCE OF STUDENT, PARENT(S), SPOUSE. The residence of a single, divorced or widowed student is presumed to be that of the parents of the student. The residence of a married student is presumed to be that of his or her spouse.
- (b) GUARDIAN OF PERSON. If a student's parents are alive but a guardian of his or her person was appointed by appropriate authority and recorded in the county clerk's office more than one year ago, the residence of the student is presumed to be that of the guardian if the student has continuously resided with the guardian for a calendar year or more. If no legal guardianship has been taken out, three years' residence with and support of a contestant establishes guardianship within the meaning of this rule.
- (c) GUARDIAN. If a student's parents are dead and a guardian of his or her person has been appointed by appropriate authority, the residence of the student is presumed to be that of the guardian.
- (d) RELATIVE; SUPPORTER. If a student's parents are dead and a guardianship of his or her person has not been appointed, the residence of the stu-

dent is presumed to be that of the grandparent, aunt, uncle, adult brother or sister or other person with whom the student is living and by whom the student is supported.

- (e) **CUSTODIAL.** The residence of a student assigned by appropriate authority to a foster home (or in kinship placement, as provided for in Chapter 264; Subchapter K, Tex. Family Code, in lieu of foster care) or a home licensed by the state as a childcare boarding facility, or placed in a home by the Texas Department of Family and Protective Services, Texas Juvenile Justice Department or an equivalent state agency, is presumed to be at the home or facility to which the student has been placed. If a student's parent(s) move the student to a foster home in another school district, the student is not eligible, but may apply for a waiver. The residence of a student placed in a home or residential facility that is affiliated with a special purpose school district as outlined in Section 11.351 of the Texas Education Code is presumed to be at the special school district-affiliated home or residential facility where the student is placed.
- (f) **DIVORCED PARENTS.** The residence of a student whose parents are divorced is presumed to be that of either parent.
- (g) **SEPARATED PARENTS.**
 - (1) If a student's parents separate (and are not divorced), and if one parent remains in the attendance zone where the student has been attending school, the student's residence is presumed to be that of the parent who did not move.
 - (2) If a student transfers to a new school with a separated (but not divorced) parent, the student is ineligible for one calendar year, but may apply for a waiver.
- (h) **MILITARY PARENT(S).** A student whose parent is active military and receives a permanent change of station to a military base with a special purpose school district, or whose parent has been released into retirement by the Department of Defense for a reason other than a dishonorable discharge and the student enrolls in the special purpose school district on a military base at the student's first opportunity, is considered in compliance with this rule.
- (i) **CRITERIA OF RESIDENCE.** The intent of this section is to ensure that unless circumstances fit one of the exceptions above, any relocation of residence is a complete and permanent move for the family. The residence shall be the domicile

which is a fixed, permanent and principal home for legal purposes. The residence is not bona fide under UIL rules unless it complies with all of the following criteria.

- (1) Does the student's parent, guardian or other person whose residence determines the student's residence own a house or condominium or rent a house, apartment or other living quarters in the school district and attendance zone? Parents or guardians must provide documentation to verify the purchase, lease or rental of a home located in the new attendance zone. A lease agreement or rental agreement should be for a reasonable duration.
- (2) Does the student and the parent or guardian have their furniture and personal effects in the district and attendance zone? There should be no personal effects or furniture belonging to the family in the previous residence.
- (3) Does the student and the parent or guardian receive their mail (other than office mail) in the district and attendance zone? The family should have submitted a change of mailing address to the Post Office.
- (4) Are the parents or guardians registered to vote in the district and attendance zone? If either of the parents or guardians was registered to vote at the previous address, they should have applied for a new voter registration card at the new address.
- (5) Do the parents or guardians regularly live in the district and attendance zone and intend to live there indefinitely? The new residence should accommodate the entire family. The former house should be on the market at a reasonable market price or sold, or the lease or rental agreement terminated. All utilities and telephone service should be disconnected or no longer in the family's name. All licensed drivers in the household should have complied with DPS regulations for changing their address.
- (6) Are the parents or guardians required to live in the district and attendance zone for the first calendar year? If the parents or guardians of a contestant move from the district or school zone before the student has been in attendance for one year, the student loses athletic eligibility in the school district from which the parents or guardians move, and remains ineligible there for varsity athletics until a year is up.

Section 443: CHANGING SCHOOLS FOR ATHLETIC PURPOSES

- (a) **DETERMINATION BY DISTRICT EXECUTIVE COMMITTEE.** The District Executive Committee is to determine whether or not a student changed schools for athletic purposes, when considering each student who changed schools and has completed the eighth grade, whether or not the student has represented a school in grades nine through twelve.
- (b) **COMMON INDICATORS.** District Executive Committees should look closely to determine if a student is changing schools for any athletic purpose. Some common indicators committees should include in their considerations include, but are not limited to: checking to see if a student was recruited; ascertaining whether a student was in good standing in the previous school, either academically or in a sports program; determining if a student was unhappy with a coach in the previous school; determining if a student played on a non-school team and is transferring to the school where members of the non-school team attend; determining if a student played on a non-school team and is transferring to the school where the non-school team coach or a relative of the non-school team coach, is the school coach; and determining if a student received individual or team instruction from a school coach and is transferring to the school of that coach.
- (c) **INELIGIBLE.** A student who changes schools for athletic purposes is not eligible to compete in varsity UIL athletic contest(s) at the school to which he or she moves for at least one calendar year, even if both parents move to the new school district attendance zone. See (e) below.
 - (1) Exception:
 - (A) One time only, intra-district transfer students are eligible for one varsity athletic activity that was not offered at their previous school. The student must wait one calendar year before gaining eligibility for any other varsity athletic contest. If a student who has been granted participation under this section returns to the school in the attendance zone where the parents reside, a Previous Athletic Participation Form shall be furnished to the District Executive Committee, who will rule on the student's eligibility at that school.
- (d) **LENGTH OF INELIGIBILITY.** The District Executive Committee for the district into which

the student moves shall determine when or if a student who moves for athletic purposes becomes eligible. See (c) above and (f) (3) below.

- (e) **PREVIOUS ATHLETIC PARTICIPATION FORM (PAPF).** An individual is presumed to have changed schools for athletic purposes if he or she participated with his or her former school in any UIL athletic contest or practice in grades eight through twelve during any previous school year until:
 - (1) the student's parents change their residence to the new school or attendance zone; (See Section 442 (g) for a student who changes residence with a separated parent);
 - (2) a representative of the previous school sign a PAPF stating that the student was not recruited to the new school and did not change schools or attendance zones for athletic purposes;
 - (3) a representative of the new school signs a PAPF stating that the student was not recruited and is not changing schools for athletic purposes;
 - (4) the District Executive Committee approves the completed PAPF.

NOTE: The District Executive Committee is not bound to determining only the status of students who participated at another school the previous or current year, as it relates to changing schools for athletic purposes.

- (f) **ELIGIBILITY DETERMINATION BY DISTRICT EXECUTIVE COMMITTEE.**
 - (1) If the District Executive Committee where the student attends school finds that the student did not change schools for athletic purposes and meets all the criteria listed in Section 442, it shall declare the student eligible if he/she meets all other eligibility requirements.
 - (2) If the District Executive Committee where the student now attends school finds that the student did not change schools for athletic purposes, it may declare that student eligible even though the school district from which he or she moved refused to sign the PAPF. (Extreme caution should be used in granting eligibility under this condition.)
 - (3) If the District Executive Committee where the student now lives finds at any time that the change was made for athletic purposes, it shall declare that student ineligible to participate in athletic contests for one year. This may include a student who did not compete at the previous school.

If the committee decides that the period of ineligibility should be longer than one year, the committee shall transfer the case to the State Executive Committee. Subject to Section 403 (f) and 463 (2)(A), a student who has established varsity eligibility under this section at a member school but who subsequently enrolls in another member school and is found to have changed schools for athletic purposes remains eligible at the school, where eligibility was first established.

- (4) When officials from both the sending and receiving schools agree that a student changed schools for athletic purposes, the State Executive Committee will not hear or grant an appeal.
- (g) **MINIMUM PENALTY.** If a Previous Athletic Participation Form was not filed prior to competition and it was an inadvertent error and the student is actually eligible under Subchapter M of the Constitution, the District Executive Committee is not required to demand forfeiture or to rule the student ineligible. The committee may assess the minimum penalty of reprimand.
- (h) **NO PREVIOUS ATHLETIC PARTICIPATION FORM REQUIRED.** The Previous Athletic Participation Forms are not required if the student did not practice or participate with his or her former school in grades eight through twelve or if the student was required to change schools because the school district or attendance zone lines were changed by the school board or other appropriate authority.

NOTE: (d) and (f) above speak to the applicability of the Previous Athletic Participation Form as it relates to students who have or have not represented another school in grades nine through twelve in either varsity or sub varsity competition. Section 403 (c) prohibits students from changing schools for athletic purposes.

Section 445: REPEATING GRADES FOR ATHLETIC PURPOSES

- (a) **LOSS OF ELIGIBILITY.** A student held back in the seventh or eighth grade for athletic purposes shall lose one of his or her four years of high school eligibility for each year he or she is held back for athletic purposes.
- (b) **LOSS OF FOURTH YEAR.** A student held back one year in the seventh or eighth grade for athletic purposes shall lose his or her fourth year of eligibility after entering the ninth grade.

- (c) **LOSS OF THIRD AND FOURTH YEARS.** A student held back for two years in the seventh or eighth grade for athletic purposes shall lose both the third and fourth years of eligibility after entering the ninth grade.

Section 446: AGE

- (a) **PROOF OF AGE.** Age shall be determined based on a student's birth certificate. In cases where a student's birth certificate is unavailable, other similar government documents used for the purpose of identification may be substituted.
- (b) **NINETEEN ON SEPTEMBER 1.**
 - (1) **Eligibility.** A student who is nineteen on September 1 preceding the contest, and who initially enrolled in the ninth grade no more than four calendar years ago, and who prior to the end of his or her second year in high school was in special education, under the auspices of an ARD committee or identified as a 504 student by a 504 committee, is eligible to participate in a UIL varsity athletic contest as a representative of a member school if:
 - (A) the student has or had a disability which delayed his or her education for a year or more;
 - (B) the student is currently in special education and under the auspices of an ARD committee or is currently identified as a 504 student by a 504 committee, and
 - (C) the student has not already participated one extra year under this exception.
 - (2) **Requirements.** The requirements below are to be met by the superintendent. A student may apply for a waiver as outlined in Section 463 only if the superintendent does not submit proper verification.
 - (A) The following must be submitted to the superintendent of the school district for eligibility determination:
 - (i) Special education students must provide documentation of a special education status and documentation that a disability delayed their education by at least one year.
 - (ii) Students with a history of a disability must provide documentation from a 504 committee proving the existence and length of time of the disability that

caused the delay of at least one year in their education.

- (B) The superintendent must certify that the student has met eligibility requirements on a form prepared by the UIL office, and submit the completed form to the chair of the District Executive Committee. If a student is unable to obtain the required certification from the superintendent, the student may appeal the matter to the UIL Waiver Officer for disposition. (See Section 463).
- (3) District Executive Committee.
 - (A) The chair of the District Executive Committee will accept only completed certification forms. The following will be returned to the superintendent by the chair of the committee with eligibility denied:
 - (i) forms that do not certify that the student meets the requirements for eligibility;
 - (ii) forms that indicate that the student is not in compliance with the four-year rule and a waiver for that rule has not been granted, or
 - (iii) forms that contain any missing information or missing signatures.
 - (B) The District Executive Committee will verify completed certification forms and declare the student eligible for varsity competition.
 - (C) The student remains ineligible for varsity athletics unless and until all eligibility is verified by the District Executive Committee.

Subchapter N. WAIVER OF ELIGIBILITY RULES

Section 463: APPLICATION FOR WAIVER

(a) WHO MAY APPLY.

- (1) When a student does not comply with Sections 400 (g) and 408 because that student has not met the requirements for graduation four years after first entering into the ninth grade and has missed an entire season's participation in a specific activity due to inadvertent circumstances other than an athletic injury, that student may apply for a waiver of the apparent non-compliance and a declaration of eligibility in those activities

that were missed. A student may apply for a waiver of the four-year rule only once. The fact that a member school does not offer a specific activity is not grounds for claiming the student was unable to participate in that activity.

(2) Parent Residence Rule.

- (A) If a District Executive Committee or the State Executive Committee finds that a student does not comply with Sections 403 (f) and 442 (residence rules), that student may apply for a waiver of the apparent non-compliance and a declaration of eligibility. As An Exception: A student who is found by a District Executive Committee, or upon appeal, the State Executive Committee, to have changed schools for athletic purposes or other impermissible reasons may return within thirty (30) days after being ruled ineligible to the school the student left without need of a parent residence waiver as long as all other eligibility rules are satisfied. In cases where there is a dispute regarding the student's qualification for this exception, the Executive Director or his or her designee may make a determination as to whether the student qualifies.
- (B) A waiver of the residence rule shall be null and void in regards to the school the student has moved to when either the District Executive Committee or the State Executive Committee determines that the student changed schools for athletic purposes.
- (C) If a student who has been granted a waiver returns to the school in the attendance zone where the parents reside, a Previous Athletic Participation Form shall be furnished to the District Executive Committee, who will rule on the student's eligibility at that school.
- (3) Students who change schools from one independent school district to another independent school district to enroll in the International Baccalaureate Program may apply for a waiver of Sections 403 (f) and 442 (residence rules) to be eligible for varsity athletics the first year of attendance.
- (4) Age Rule, Sections 403 (b) and 446. If a student is nineteen or older and has met all

the criteria in Section 446 prior to the end of his or her second year in high school, but the superintendent does not submit proper verification to the District Executive Committee and the UIL, that student may apply for a waiver if:

- (A) the student has or had a disability which delayed his or her education for a year or more;
 - (B) the student is currently in special education and under the auspices of an ARD committee or is currently identified as a 504 student by a 504 committee; and
 - (C) the student has not already participated an extra year under this exception.
NOTE: This waiver procedure is only for students who are unable to obtain the required certification from the superintendent as outlined in Section 446.
- (5) Retroactive Waiver Procedure (See Section 469).
- (b) PROCEDURE. The application must be in writing on the UIL Application for Waiver form and signed by the student and, if the student is under 18 years of age, by a parent or guardian. The applicant shall submit a copy of all documentation to the superintendent. The superintendent shall send a copy of the application to the chair of the District Executive Committee. The chair shall notify members of the district that the application has been filed. Unless the student is indigent or a dependent of an active military personnel, he or she shall pay a \$100 filing fee to the UIL when the application is filed.

Section 464: SUBMISSION TO WAIVER OFFICER

- (a) The applicant for a waiver shall submit with the application statements of the facts and circumstances that excuse the apparent non-compliance with the rules.
- (b) An applicant for a waiver of the age-rule, Sections 403 (b) and 446, must also submit the following:
 - (1) an applicant who is a special education student must provide documentation of special education status and documentation that a disability delayed his or her education by at least one year;
 - (2) an applicant who is a student with a history of a disability must provide documentation from a 504 committee proving the existence and length of time of the disability that

caused the delay of at least one year in his or her education; and

- (3) applicants must submit documentation and/or a statement of the facts and circumstances indicating that the applicant was unable to obtain the required certification from the superintendent.

Section 465: DECISION BY WAIVER OFFICER

- (a) DECISION. Within 14 days after the Waiver Officer determines that the application is complete, the Waiver Officer shall upon the basis of the application and written statements decide whether the waiver should be granted and the applicant declared eligible.

(b) BASIS FOR DECISION.

- (1) Residence Rule, Sections 403 (f) and 442.
 - (A) International Baccalaureate Program. The waiver of the residence requirements of a student who changes schools to enroll in the International Baccalaureate Program may be granted unless the District Executive Committee has determined the student changed schools for athletic purposes.
 - (B) Other Waivers of Parent Residence Rule. If the Waiver Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the Waiver Officer could not reasonably expect the student to comply with the rules, the Waiver Officer shall grant the waiver.
- (2) Four Year Rule, Sections 400 (g) and 408. If the Waiver Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the Waiver Officer could not reasonably expect the student or the parents to comply with the rule, and if those same circumstances caused the student to miss an entire season's participation in an activity, the Waiver Officer shall grant the waiver.
- (3) Foreign Exchange Students. The waiver of the residence requirement of a foreign exchange student may be granted under the following conditions:
 - (A) a copy of the student's J-1 visa and certification papers from the approved CSIET (Council on Standards for International Educational Travel)

- United States Foreign Exchange Program accompanies the waiver form;
- (B) the exchange student has not completed four years of high school attendance and/or graduated from high school;
 - (C) the exchange student has not received advanced training (defined as training which is above and beyond that which is normally provided in Texas public schools) in the germane activity prior to arriving in Texas, such as pre-Olympic training, being nationally ranked or having similar status in a sport, or participation on a national team;
 - (D) the exchange student has not been placed with a host or a school based on athletic interests or abilities, whether initiated or caused by a student, a natural or host parent, a school, a program or any other interested party; and
 - (E) the exchange student meets all other University Interscholastic League eligibility rules.
 - (F) A foreign exchange student must apply for and receive an approved waiver before the district certification deadline.
- (4) Age Rule, Sections 403 (b) and 446.
 - (A) If the Waiver Officer finds that the student meets the requirements set forth in Section 463, the Waiver Officer shall grant the waiver.
 - (B) The decision of the Waiver Officer shall be final.
 - (5) The waiver is granted for specific athletic activities. If students wish to participate in an athletic activity other than the specific one(s) for which they were originally granted a waiver, such requests shall be presented by the school to the District Executive Committee which shall grant or deny the request. Notifying the Waiver Officer for each subsequent sport is not required.
 - (6) Ignorance of the rules is not a basis for granting a waiver.
 - (c) NOTIFICATION. The Waiver Officer shall promptly send a copy of the decision to the applicant, superintendent, principal and the chair of the District Executive Committee.
 - (d) EFFECT OF DECISION. If the Waiver Officer decides that the applicant is eligible, the student may participate in a UIL contest until the Waiver Review Board issues a change in eligibility status by overturning the waiver.

Section 466: REVIEW OF WAIVER OFFICER'S DECISION

- (a) Except in appeals under the age rule, Section 465 (b) (4), the applicant, the parent or guardian of the applicant, or any superintendent may request a review of the decision of the Waiver Officer. The request for review must be in writing and be accompanied by payment of a \$200.00 filing fee. If the applicant or the applicant's parents request the review, and the applicant is indigent or a dependent of an active military personnel, the filing fee may be waived. During the school year requests must be received by the Waiver Review Board within 15 days after the decision of the Waiver Officer was mailed. During the summer holidays, requests must be received by the Waiver Review Board no later than September 1 or immediately after the first meeting of the District Executive Committee, whichever occurs sooner.
- (b) RULES OF BOARD. The Waiver Review Board shall adopt and publish the rules of procedure to be followed by it in reviews. In accordance with Section 150, the Waiver Review Board or a UIL Hearing Officer may hold an informal hearing with witness testimony and other evidence, or decide the appeal based on the written record.
- (c) REVIEW SCHEDULE. Unless the request for review is received less than seven days before its next meeting, the Waiver Review Board shall schedule the review of the case at its next meeting except for appeals that have been transferred to a UIL Hearing Officer. The Board may meet monthly from August through March and may meet at such other times as the Chair of the Board may designate. The seven-day limit may be waived if the Waiver Review Board is scheduled to meet to review other cases.
- (d) REVIEW. The entire Waiver Review Board, a panel of three members, or a UIL Hearing Officer may review the case. If a member of the Board is involved in the case being reviewed, that member shall abstain from deliberations and voting, and the Chair of the Board may appoint a person to sit in that member's place.
- (e) REVIEW PROCEDURE. The review shall be conducted in accordance with the rules and procedures of the Waiver Review Board and may consist of an informal meeting where witnesses are allowed to testify or may be decided on the written record. The application for waiver, the written material submitted to the Waiver Officer by the applicant, superintendent, principal and District Executive Committee, and the decision

of the Waiver Officer constitute the written record made before the Waiver Officer.

- (f) **ARGUMENT.** In cases where an informal hearing is conducted, the Waiver Officer, applicant, superintendent, principal and District Executive Committee may submit written documentation or make oral argument. The Board or a UIL Hearing Officer may limit the time for oral argument.
- (g) **PRECEDENT MANUAL.** The Waiver Review Board shall adopt rules concerning the creation and maintenance of a precedent manual which shall contain decisions of the Waiver Review Board that have sufficient precedential value to warrant publication. Opinions in the precedent manual will be composed of a synopsis of the facts of the case along with the panel's decision and a brief explanation of the basis for the decision. UIL staff may assist in the drafting and preparation of the opinion as directed by the board.
 - (1) Before being published in the precedent manual, a draft of the written opinion must be reviewed and approved by a majority of the members of the hearing panel that heard the case.
 - (2) The precedent manual shall serve to provide guidance to Waiver Review Board Panel's when considering similar cases.
 - (3) The Waiver Review Board's Precedent Manual shall be published on the University Interscholastic League's website.

Section 468: REVIEW DECISION PROCESS

(a) BASIS FOR DECISION.

- (1) Residence Rule, Sections 403 (f) and 442.
 - (A) International Baccalaureate Program. The waiver of the residence requirements of a student who changes schools from one independent school district to another independent school district to enroll in the International Baccalaureate Program may be granted unless the District Executive Committee has determined the student changed schools for athletic purposes.
 - (B) Other Waivers of Parent Residence Rule. If the Board or Hearing Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the student could not reasonably be expected to comply with the rules, the waiver shall be granted.

- (2) Four-Year Rule, Sections 400 (g) and 408. If the Board or Hearing Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the student could not reasonably be expected to comply with the rule, and if those same circumstances caused the student to miss an entire season's participation in an activity, the waiver shall be granted.
- (3) Foreign Exchange Students. The waiver of the residence requirement of a foreign exchange student may be granted under the following conditions:
 - (A) a copy of the student's J-I visa and certification papers from the approved CSIET (Council on Standards for International Educational Travel) United States Foreign Exchange Program accompanies the waiver form;
 - (B) the exchange student has not completed four years of high school attendance and/or graduated from high school;
 - (C) the exchange student has not received advanced training (defined as training which is above and beyond that which is normally provided in Texas public schools) in the germane activity prior to arriving in Texas, such as pre-Olympic training, being nationally ranked or having similar status in a sport, or participation on a national team;
 - (D) the exchange student has not been placed with a host or a school based on athletic interests or abilities, whether initiated or caused by a student, a natural or host parent, a school, a program or any other interested party; and
 - (E) the exchange student meets all other University Interscholastic League eligibility rules.
- (4) The waiver may be specific to an activity.
- (5) Ignorance of the rules is not a basis for granting a waiver.
- (b) **ANNOUNCEMENT OF DECISION.** The Board or Hearing Officer shall announce a decision in writing within 15 days after the review.
- (c) **REHEARING; EFFECT OF DECISION.** The eligibility status of the applicant as determined by the Board or Hearing Officer is effective on the date the decision is announced. The Board may grant a rehearing on cases that are waived by the Board provided new credible evidence is presented by the District Executive Committee, and

it may grant a rehearing on cases that are denied by the Board provided new credible evidence is presented by the applicant or the school the applicant is attending.

- (d) **NOTIFICATION.** A copy of the decision shall be sent to the applicant, the superintendent or principal and the chair of the District Executive Committee and each member in the district.

Section 469: RETROACTIVE WAIVER

- (a) **WHO MAY APPLY.** If a District Executive Committee has determined that a student, who is not a foreign exchange student, but who is otherwise ineligible according to Section 400 (g) or 403 (f) has participated in a varsity contest, and the District Executive Committee and the superintendent of the school the student attends jointly request a retroactive waiver, the Waiver Officer shall review the facts of that case.
- (b) **APPLICATION PROCEDURE.** The application must be in writing on the UIL Application for Waiver form, and signed by the superintendent, the chair of the District Executive Committee, the student and a parent or guardian if the student is under 18.
- (c) **REVIEW PROCEDURE.** The information shall be presented to the Waiver Officer who shall decide whether the waiver should be granted and the applicant declared eligible.
- (d) **EFFECT OF DECISION.** In granting a waiver, the Waiver Officer may determine that the student's eligibility is retroactive to any date during the current school year, so long as the student has been continually eligible under all rules other than the rule being waived since that date. If the Waiver Officer denies the waiver, the applicant may appeal the decision to the Waiver Review Board. The appeal must be accompanied by a \$700 payment to be applied to the filing fee. The filing fee is the actual expense incurred in convening the waiver review board. The balance of the fee shall be billed to the school or parent after expenses are calculated.
- (e) **EXCEPTION TO ABOVE PROCEDURE.** The UIL Waiver Officer can rule on a retroactive waiver, after the season in question is complete, without consent from a District Executive Committee when the request comes from a parent and has no bearing on the district race. The application fee is \$700.

Section 470: SUBMITTING FALSE INFORMATION

If the Waiver Officer, the UIL hearing officer or the Waiver Review Board finds that information was submitted on behalf of an applicant that the applicant knew was false, the Waiver Officer, hearing officer or the Waiver Review Board shall declare the applicant ineligible for one year and the contests in which the applicant competed on behalf of the school he or she now attends forfeited.

Subchapter O. AWARDS

Section 480: LIMITATION OF AWARDS

- (a) **LIMIT.**
 - (1) **Awards Schools May Give.** A member school or member school district may give one major award not to exceed \$70 in value to a student during that student's high school enrollment at the same school for participation in UIL interschool competition(s) listed in Section 380. Each year a member school or member school district may give one additional award per student per interschool activity listed in Section 380, not to exceed \$20 each. Schools may give a student the \$20 minor award for an activity during the same school year the \$70 major award is given for that activity. A school may contribute to major awards in honor of winning a UIL State Championship event.

 - (5) Provide information or evidence regarding eligibility of any contestant or school to local school administrators or to the appropriate judicial bodies upon request.

 - (7) Abstain from any practice that makes a student feel pressured to participate in non-school activities.
 - (8) At all times, ensure that competition is relative to a more important overall educational effort, using competition as a tool in the preparation of students for citizenship and successful adulthood.
 - (9) Ensure that UIL Academic district, regional and state meets receive precedence over non-qualifying contests or meets.
 - (10) School districts shall notify the academic regional or state meet director no later than the end of the second school day following academic district or regional competition if a student or a team knows that it will not compete at the next higher academic meet.
- (b) **SALARY/STIPEND.** Any salary or stipend arrangement which makes it to the financial interest of a coach, director or sponsor to win a UIL Contest will be in violation of the Academic

Ethics Code, and the member school district, member school and the school district personnel shall be subject to the range of penalties outlined in Sections 27 and 29.

Mistakes in the answer key should be corrected, and papers should be judged on correctness rather than on an incorrect answer given in the key.
- (d) **VERIFICATION PERIOD.** Academic events shall have a verification period conducted according to the contest handbook for each event. A student and/or coach not present for the verification period forfeits the opportunity to verify results.
- (e) **OFFICIAL RESULTS.** At the end of the verification period, results shall be announced as official. Official results, once announced, are final.
- (f) **SUBMITTING RESULTS.** All academic contest results shall be submitted and certified as final in the UIL Academic Meet Online Entry System or other official procedures outlined in that event's handbook. If there is a tie for third place, there is no fourth place and both third place winners advance to the next higher meet.
- (3) Team Competition. In events with an advancing team component, other than Cross-Examination Debate, One-Act Play, Robotics and Theatrical Design, the first place team and a wild card team in each event will advance to the next level of competition.  - (D) Team Ties. Team ties shall be broken through second place in all events with a team component. If two or more teams tie for first or second place, or the wild card berth, the highest overall net or objective score of the fourth ranking member of the team will be used to break the tie. Should two or more contestants who are the fourth ranking member of the team have the same objective score, then a tie will be declared, and all involved in the tie shall advance. A team that does not contain a fourth member forfeits the right to participate in the tiebreaker. Refer to the contest handbook for each event for any exceptions.
- (i) NO ADVANCEMENT, SUBSTITUTION OR POINTS IF DISQUALIFIED. A contestant who is disqualified for violation of a contest rule shall not advance in that contest as an individual or a member of the team to the next higher meet. A team shall not substitute a replacement for the disqualified contestant. A disqualified contestant does not earn points.
- (j) CONFIDENTIALITY OF CONTEST MATERIALS. Coaches, contest directors and contestants are responsible for maintaining confidentiality of contest materials. Transfer of information relative to the tests shall be considered a violation of the Academic Ethics Code and subject to penalties as outlined in Sections 27 and 29. - (4) Elementary/Middle/Junior High Points. Points won by an elementary, middle or junior high school shall not be counted toward the district sweepstakes in a high school meet and vice versa.

(I) SUNDAY PARTICIPATION. UIL member schools shall not sponsor students in a UIL contest or a contest similar to one offered by the UIL on Sunday. Exceptions:

- (1) UIL area, regional and state competitions may be held on Sunday, due to unavoidable circumstances that cause hardship to participating schools, provided they are approved by all of the following:
 - (A) a UIL staff director,
 - (B) a majority of superintendents or their designees of the affected schools and
 - (C) the meet director.
- (2) School district personnel may instruct high school students and accompany them to school-sanctioned academic competitions held on Sunday that do not count on UIL standing under the provisions listed below.
 - (A) A student shall not represent a UIL member school in more than two such competitions on Sunday during the school year. Example: if a student competes in a tournament scheduled for Friday, Saturday and Sunday, the tournament counts as one of the two allowable Sunday competitions regardless of whether the student competes on Sunday.
 - (B) The participation of the student, academic coach, sponsor or director shall have prior approval of the superintendent or designated administrator. Students are considered to be representing their school if they are wearing and/or using school equipment or being directed, accompanied, or transported by a school employee or persons on behalf of school personnel.

- (C) Participation is limited to contests that are sponsored by colleges or universities.
- (D) Students are not prohibited from participating in non-school-sponsored competitions and activities. Parents may take their children to meets provided the school does not pay entry fees or other related expenses and the coaches do not attend the competition. The fact that a tournament entry contains information as to which high school a student attends or information about the high school itself (address, coach, telephone, FAX, etc.) does not in and of itself constitute a violation.
- (E) The following constitute sponsorship:
 - (i) The school pays entry fees for contestants or uses activity funds to pay for any or all student expenses.
 - (ii) Student uses school fundraiser dollars to pay for fees, transportation and/or housing expenses.
 - (iii) Student is accompanied by school personnel.
 - (iv) Student is accompanied, directed or transported by a person or persons on behalf of school personnel.
 - (v) Student wears or uses school equipment.
- (F) School district personnel includes any person hired or appointed by the school or its employees who is involved in preparing or assisting the contestant for a contest that is part of the UIL academic program.
- (G) This rule applies only to contests that are part of the UIL Academic Meet Plan. It is not a violation for school district personnel to assist a student in preparation for or participation in a contest that is not part of the UIL Academic Meet Plan.
- (H) Students found to be in violation of the Sunday Participation Rule may be penalized for the current academic year in "germane" academic contests. For example, a student found in violation of the Sunday Participation Rule in Lincoln-Douglas Debate would be penalized in debate only (Lincoln-Douglas and Cross-Examination), not in all speech events, nor in any other UIL academic events.
- (I) The District Executive Committee shall rule on protests and reports of violations concerning the Sunday Participation Rule. See Section 28 (a).
- (m) NON-TRADITIONAL SCHOOL YEARS. (See Section 383).

- (c) RESOURCES. The contest is discussed and defined in detail in the UIL Congress Handbook and on the UIL website. Coaches are responsible for reviewing these publication in advance of the contest.
- (d) STRUCTURE. Congress will be organized into regions according to the twenty Educational Service Centers (ESC) designated by the Texas Education Agency. All schools, regardless of UIL conference, will compete with each other within their school's region ESC unless conference entry numbers warrant separate chambers. Regardless, each conference competing in the congressional region will be eligible to advance a minimum of three representatives to the state congressional competition.
- (e) CONGRESSIONAL REGION CONTEST DIRECTORSHIP. A directorship of five for each congressional region contest within their Education Service Center region will conduct the region contest. - (c) PROGRAM. The journalism program consists of the voluntary member state scholastic publications association (ILPC) and the UIL's journalism contests. Schools need not join the journalism association in order to be eligible for UIL contests.
- (d) INTERSCHOLASTIC LEAGUE PRESS CONFERENCE (ILPC). For information regarding the ILPC, see Appendix III.
- Section 1023: HIGH SCHOOL JOURNALISM CONTESTS
- (a) ENTRIES. Each member high school may enter as many as three persons in each of the five journalism contests for its conference at the district level. A student may compete in all five contests.
- (b) ADMINISTRATION AND JUDGING OF JOURNALISM CONTESTS. The director of the district and regional meets shall appoint a journalism contest director to conduct and supervise the journalism contests. It is the duty of the contest director to administer the contests in strict adherence to the guidelines set forth by the UIL office. Instances of variances from the guidelines should be reported to the UIL Director of Journalism immediately. The contest director shall be responsible for preventing any communication between contestants or any reference on the part of contestants to notes, books or printed material other than a printed or electronic thesaurus,

dictionary and Associated Press stylebook. Copy editing contestants shall not use a dictionary, thesaurus or AP-Style book. The contest director or designee shall be timekeeper for the contest and should give periodic warnings of the time limit, even if the contest is held in a room where a clock is clearly visible to the contestants. When the contest time elapses, the contest director or designee shall collect all papers.

It is recommended that the judging panel have three members and that at least one member be a current or former journalism teacher. At the regional and state level, at least one member of the judging panel shall be a former or current high school journalism teacher. A host site can request a waiver through the UIL office if it is unable to secure a current or former high school journalism teacher for the judging panel. The panel may be asked to judge more than one of the journalism contests. Journalism coaches accompanying their contestants to regional meets may serve on judging committees, provided no coach is assigned to judge entries from the same event in which his or her contestant is competing. It is best to select judges who have no vested interest in the contest and whose integrity is above reproach. It is appropriate and recommended to pay judges a stipend for each contest judged.
- (4) Judging Criteria. Judges should have on hand a list of contest judging criteria, which will be provided to the meet director with the contest packets.
- (5) Ranking the Papers. Judges shall read and critique all papers and rank the top six places. There can be no ties in these contests.

If contestants choose to use their own computers, they shall bring a portable printer, associated hardware, software and paper. Spell check, thesaurus and Associated Press stylebook functions may be used if available on the computers. Students who opt to compose their entries on computers accept the risk of computer malfunction. In case of computer malfunction, the contestant may use the remaining allotted time to complete the composition in handwriting or compose on another computer (if available). When printing the contest on an electronic printer, the print command shall be started by the time contest time expires. Once time has expired, participants and coaches shall not disconnect or connect computer equipment or enter new commands in an effort to print the entry. District or regional host sites are not forbidden to provide computers for contestants but are not expected to make those provisions. Computers will not be provided at state, but contestants may use their own laptops and portable printers.
- (c) STATE MEET. The first place entries in conference A, 2A, 3A, 4A, 5A and 6A will be subjected to a second judging. The contestant with the top entry will receive a championship plaque, commonly referred to as "Tops in Texas."

In junior high/middle schools, at the option of the Region Executive Committee, it is recommended that evaluations be scheduled so that junior high/middle schools that feed A, 2A, 3A, and 4A high schools perform prior to organizations that feed 5A and 6A high schools.
 - (3) Zoning Junior High/Middle School Events. Junior high/middle school events may be zoned with no restrictions as to the number of organizations in each conference.

 - (A) Only entries conforming to the PML performance requirements will be certified.
 - (B) Those selections so listed on the entry form become program requirements for performance unless the event chair is notified, in writing, of changes of selections no later than seven days prior to the first day of the event.
 - (C) An organization failing to comply with performance requirements as submitted shall be penalized in accordance with Sections 27 and 29.
- (4) Performers. The director of a band, orchestra or choir may not perform with the organization. The accompanist of an orchestra must be a member of a performing organization. The accompanist of a choir may not sing with the performing organization unless the accompanist is eligible under Subchapter M of the Constitution.
- (5) Repetition. The following will govern the repetition of a composition for performance purposes, excluding 7th and/or 8th grade participation, in a composite group. See Section 1102 (i)(6). Varsity and non-varsity groups are considered separate organizations.
 - (A) An organization in a one or two-year school (excluding 6th grade) may repeat a selection in the second year after the most recent performance.
 - (B) An organization in a three-year school (excluding 6th grade) may repeat a selection in the third year after the most recent performance.
 - (C) An organization in a four-year school (excluding 6th grade) may repeat a selection in the fourth year after the most recent performance.

- (10) Electronics.
 - (A) The use of electronic sound, to reinforce or to substitute for acoustical instruments that are a traditional part of the band or orchestra instrumentation, is prohibited.
 - (B) Electronics may be used for other instruments specified in the score under the following provisions:
 - (i) The substitute shall be performed live as a part of the performance.
 - (ii) It shall be the responsibility of the performing group director to provide all equipment.
 - (C) The use of electronics may be considered by each judge in determining the overall rating for the performance.

Section 1111: SIGHT-READING EVALUATION

(a) PERFORMANCE REGULATIONS.

- (1) Requirement. Each organization that performs in concert evaluation is required to perform in the sight-reading evaluation for ratings.
- (2) Members. All members of the organization who participated in the concert evaluation are required to participate in the sight reading evaluation for that organization.
- (3) Music. A committee of five in each division (band, choir, orchestra) is appointed by the State Director of Music to two-year overlapping terms to select and/or edit sight-

- reading music that conforms to the criteria as stated on the UIL website.
- (4) **Adjudication Criteria.** Each organization shall be evaluated in accordance with the Texas Music Adjudicators Association adjudication rubric.
 - (5) **Non-varsity (Second Groups).** All music for non-varsity (second groups) will be the same or meet the same criteria as the selection for corresponding organizations two conferences lower than their varsity organization. Non-varsity groups shall be scheduled as a separate conference.
 - (6) **Sub Non-varsity (Third Groups and Below).** Schools with more than one non-varsity group shall designate at least one of those groups as non-varsity (second group). At the option of the music director and local school officials, other groups of the same kind (band, choir, orchestra) may then be entered as sub non-varsity. All music for sub non-varsity (third groups and below) will be the same or meet the same criteria as the selection for corresponding organizations two conferences lower than their varsity organization. Sub non-varsity groups shall be scheduled as a separate conference.
 - (7) **Use of Recording Devices.** The use of recording devices in the sight-reading room is prohibited.
- (b) **AFFIRMATION OF CONFERENCE.** Prior to the evaluation the following question will be asked of the director of each organization. "This organization will be reading (title of selection) which has been chosen for conference (varsity or non-varsity groups). Is this the correct conference for your organization?"
- (c) **PRIOR KNOWLEDGE OF THE MUSIC.**
- (1) **Question.** A judge is required to ask the director of each organization the following question: "Has this organization or any of its student members heard, read, rehearsed or performed this selection (indicating the music) at any time prior to this evaluation?" If the answer is "yes" the director will have two options:
 - (A) The director may have his/her band, choir or orchestra read an alternate selection of equal difficulty which shall be available from the contest chair; or
 - (B) The director may excuse the student(s) who has/have prior knowledge of the music and proceed with the rest of the group in the preparation and performance of the designated selection.
 - (2) **Penalty.** A false response to the question concerning prior knowledge of the music shall result in the organization and/or its director being penalized in accordance with Subchapter E. The minimum penalty shall be disqualification of that organization from the music reading evaluation.
- (d) **PROCEDURES FOR ORCHESTRA SIGHT-READING EVALUATION.**
- (1) **Score Study.** Prior to the instruction period the director will be given a period of three minutes to study the sight-reading music full score.
 - (2) **Instruction Period.** The director will be given the following time limits to study the score and instruct the organization:
 - (A) Conference 6A-5A First Groups: 10 minutes;
 - (B) Conference 3C-3B-4A First Groups and 6A non-varsity (second groups): eight minutes; and
 - (C) All other conferences seven minutes.
 - (D) Sub-non varsity orchestras may extend the explanation period for their conference by one minute.
 - (3) **Use of Instruction Period.** Only one director may instruct and direct an organization at the evaluation. The director may instruct the group as he or she sees fit, including singing phrases or demonstrating rhythmic figures, but the director may not perform the music on any instrument. The director may not allow students to tap rhythms or perform any part of the music in any manner.
 - (4) **Marking Music.** Neither the director nor the students may mark on the music unless instructed to do so by a judge.
 - (5) **Warm-up and Tuning.** Immediately following the instruction period and prior to the performance, if the conductor chooses to do a warm-up the sight-reading music will be turned face down. Each performing group may then play or sing a brief warm-up consisting of one of the following:
 - (A) long tones;
 - (B) a whole note scale; or
 - (C) eight measures of a warm-up chorale.
 In addition string players may check tuning. No further warm-up or musical instruction

- of any kind is permitted by the director, including the use of verbal counting to initiate the reading.
- (6) Performance. The organization shall then perform the music. In the event the director elects to halt the performance, it should be for the sole purpose of designating a starting point. No further instructions may be given.
 - (7) Disqualification. An orchestra whose director makes an obvious contribution to the performance by either singing with or speaking to the students while they are performing shall be disqualified. An obvious and deliberate attempt by a director to be disqualified may result in the assignment of a rating by the adjudication panel. A judge's decision of what is obvious and deliberate is final.
- (e) PROCEDURES FOR BAND SIGHT-READING EVALUATION.
- (1) Score Study. Prior to the instruction period the director will be given a period of three minutes to study the sight-reading music full score.
 - (2) Instruction Period. The director will be given the following time limits to study the score and instruct the organization:
 - (A) Conference 6A-5A Varsity:
 - 7:00 General Explanation
 - 3:00 Summary Explanation
 - (B) Conference 3C-3B-4A Varsity and 6A non-varsity:
 - 5:00 General Explanation
 - 3:00 Summary Explanation
 - (C) All other conferences:
 - 4:00 General Explanation
 - 3:00 Summary Explanation
 - (D) Sub-non varsity bands and Conference C non-varsity bands may extend the summary explanation period for their conference by one minute.
 - (3) Use of Instruction Period. Only one director may instruct and direct an organization at the evaluation. The director may use the instruction period in the following manner.
 - (A) General Explanation. The director may structure this initial segment of time (7 minutes/5 minutes/4 minutes) as he or she wishes by incorporating any combination of silent study and/or director's explanation. During this time period the director may point out specific performance problems, demonstrate how ritardandos, fermatas, etc. will be conducted, call attention to accidentals, identify unique characteristics of the music (i.e., who has the melody, important passages for certain sections, the presence of repeats, etc.) and answer student questions. At the director's discretion, students may finger passages at any time during the general explanation period. Note: The director and students may not count, sing or audibly reproduce the music in any other manner.
 - (B) Verbal Notification. At the conclusion of the general explanation period timing will stop and the chair of the sight-reading panel or a designee will read aloud the following statement: "Your general explanation period is over. You may now begin your summary explanation." Time will then begin for the three minute summary explanation.
 - (C) Summary Explanation. During the summary explanation the director may instruct the group as he or she sees fit, including singing phrases, demonstrating rhythmic figures or reviewing ritardandos and fermatas with singing and/or counting. However, the director may not perform the music on any instrument or allow students to tap rhythms or perform any part of the music in any manner.
 - (4) Marking Music. Neither the director nor the students may mark on the music unless instructed to do so by a judge.
 - (5) Warm-up and Tuning. Immediately following the instruction period and prior to the performance, if the conductor chooses to do a warm-up the sight-reading music will be turned face down. Each performing group may then play or sing a brief warm-up consisting of one of the following:
 - (A) long tones;
 - (B) a whole note scale; or
 - (C) eight measures of a warm-up chorale.
 No further warm-up or musical instruction of any kind is permitted by the director, including the use of verbal counting to initiate the reading.
 - (6) Performance. The organization shall then perform the music. In the event the director elects to halt the performance, it should be

- for the sole purpose of designating a starting point. No further instructions may be given.
- (7) Disqualification. A band whose director makes an obvious contribution to the performance by either singing with or speaking to the students while they are performing shall be disqualified. An obvious and deliberate attempt by a director to be disqualified may result in the assignment of a rating by the adjudication panel. A judge's decision of what is obvious and deliberate is final.
- (f) PROCEDURES FOR CHOIR SIGHT-READING EVALUATION.
- (1) Time. The director of a choir will be given six minutes to study the score and instruct the organization. Exception: Sub-non varsity choirs may extend the study and instruction period by one minute.
 - (2) Use of Instruction Period. Only one director may instruct and direct an organization at the evaluation. At any time during the instruction period the tonic chord may be played once, in broken chord style, and may not be reproduced by the students. The director may instruct the group by tapping out rhythms and talking about any passage of music but may not hum, sing any part, or allow it to be played on the piano. Students may chant rhythms and/or text and tap or clap the rhythms; however, they may not reproduce the music tonally. Students may ask questions and make comments, according to the director's wishes.
 - (3) Marking Music. Neither the director nor the students may mark on the sight-reading music unless instructed to do so by a judge.
 - (4) First Reading. At the completion of the instruction period the choir will be given the tonic chord, in broken chord style. At that time, the students may reproduce the tonic chord, utilizing their preferred method of sight-reading (numbers, syllables, etc.). The accompanist will then give the starting pitches, which each section may sing, again utilizing their preferred method. The director may sing the starting pitch with each section. After the choir has sung its starting pitches no further warm-up or musical instruction of any kind is permitted by the director, including the use of verbal counting to initiate the reading. The music will then be sung without piano accompaniment and using the group's preferred method of sight-reading. The director may choose to read the piece in the printed key or any other key suitable for the group. In the event the director elects to halt the performance, it should be for the sole purpose of designating a starting point. No further instructions may be given.
 - (5) Second Instruction Period. Following the first reading, the director will have two minutes for instruction. The procedures described in (2) will apply.
 - (6) Second Reading. The procedures in (4) will apply. The selection will then be sung a cappella. All groups may continue to use their preferred method of sight-reading or may sing the words printed in the score. The director's decision to use text or not will have no bearing on the final rating. Both readings will be judged.
 - (7) Disqualification. A choir whose director makes an obvious contribution to the performance by either singing with or speaking to the students or making other audible contributions while they are performing shall be disqualified. An obvious and deliberate attempt by a director to be disqualified may result in the assignment of a rating by the adjudication panel. A judge's decision of what is obvious and deliberate is final.
 - (8) SAB Music Selection. Choirs performing a majority of SATB music in their concert performance will be required to sight-read SATB music designated for that conference. However, choirs in all conferences may sight-read SAB music provided that their program includes a majority of SAB music.
 - (9) SA and TB Music Selection. In all middle school conferences as well as junior high school B and 2B conferences, choirs performing a majority of SA or TB music in their concert performance may elect to sight-read SA or TB music designated for that conference.
- Section 1112: ADJUDICATION

- (1) List of Judges. In all organization event contests and evaluations (concert, sight-reading, and marching), one judge shall be selected from the recommended list of approved judges, a second judge shall be selected from the recommended or provisional list of approved judges and a third judge may be selected from the recommended or provisional list of approved judges or from other sources approved by the State Director of Music.

Zoned junior high contests as well as high school solo and ensemble contest judges may be selected from other zones within the same region.
- (5) Current Involvement. A judge should be currently teaching, conducting or performing in or retired from the field in which he or she is employed to judge.

 - (ii) A judge at the area level marching competition may not evaluate other bands in the same conference as that judge's band, if that judge's band has been selected to advance to the next level of competition. This limitation also applies to other music personnel such as music supervisors who reside within the school district of the advancing band.
- (8) Prior Employment. A judge may not accept a judging invitation from a region, area or zone in which that judge formerly taught, unless two years have elapsed since the time of last employment in that region, area or zone.

- (b) ADJUDICATION STANDARDS. Each judge shall assign one of the following ratings in accordance with established Texas Music Adjudicators Association adjudication rubrics: Division I (Superior), Division II (Excellent), Division III (Average), Division IV (Below Average), Division V (Poor). The performance of the soloist, ensemble, or organization shall be the only factor considered when determining ratings.
 - (1) Final Rating. If judges' ratings do not agree, the following chart will determine the rating to be awarded:

Charts for Computing Ratings- Three Judges-Five Ratings

Judges shall not add plus (+) or minus (-) to division ratings.

- (2) **Irregularities.** The judge shall call to the attention of the contest chair/event chair and the Region Executive Secretary any irregularities of performance or procedure on the part of the participant(s). The Region Executive Secretary in consultation with the Region Executive Committee shall determine what penalties in Section 29 may be assessed.
- (3) **Discourteous Conduct.** Judges shall report any act of discourtesy by a participant or music director to the contest chair/event chair, who shall then forward the report to the Region Executive Secretary for consideration of appropriate action.

Subchapter C. HIGH SCHOOL ATHLETIC PLAN

NOTE: Rules that list the sport or sports to which they apply shall apply only to the sport(s) listed.

Section 1200: PURPOSES OF HIGH SCHOOL ATHLETICS

The purposes of the athletic program for the member schools are:

- (a) to assist, advise and aid the member schools in organizing and conducting interschool athletics;
- (b) to devise and prepare eligibility rules that will equalize and stimulate wholesome competition between schools of similar size, and reinforce the curriculum;
- (c) to regulate competition so that students, schools and communities can secure the greatest educational, social, recreational and aesthetic benefits from the contests;
- (d) to reinforce the concept to all member schools that athletics is an integral part of the educational program;
- (e) to preserve the game for the overall benefit of the contestant and not sacrifice the contestant to the game;
- (f) to promote the spirit of good sportsmanship and fair play in all contests;
- (g) to promote among the players, schools and communities a spirit of friendly rivalry and a respect for the rules;
- (h) to forward the concept of accepting decisions of sports officials without protest and treating officials as co-partners in the educational process of competition; and
- (i) to provide rules and regulations designed to promote and ensure the health and safety of all participants.

Section 1201: ATHLETIC CODES

The Athletic Code and the Athletic Code for Coaches carry the force of rule. Member school districts, member schools and/or covered school district personnel who violate any of the provisions of these codes will be subject to penalty.

- (a) THE ATHLETIC CODE. The general Athletic Code means to:
 - (1) Play the game in the spirit of fairness and sportsmanship, observing all rules, both in letter and intent.
 - (2) Coach and sponsor the teams and individuals without resorting to unethical tactics, trickery which attempts to skirt the rules, or any unfair tactic which detracts from sound educational principles.

- (3) Accept decisions of sports and school officials without protest and without questioning their honesty or integrity, and extend protection and courtesy to sports officials from participants, school personnel and spectators remembering that officials are guests.
- (4) Regard opponents as guests, putting clean play and good sportsmanship above victory at any cost. Win without boasting and lose without bitterness. Victory is important, but the most important thing in sports is striving to excel and the positive feelings it fosters between those who play fair and have no excuse when they lose. The development of positive human relations should be stressed in all competition.
- (5) Remember that conduct that berates, intimidates, or threatens competitors has no place in interscholastic activities.
- (6) Provide information or evidence as soon as possible regarding eligibility of any contestant or school to the local administration, then to the proper District Executive Committee. To withhold information is considered dishonorable and contrary to good sportsmanship. Schools guilty of violating this section may be subject to penalty as described in Sections 27 and 29, including disqualification from district honors in the germane activity. Covered school district personnel guilty of violating this section may be subject to the range of penalties as described in Sections 27 and 29.
- (7) Not recruit or entice any student to attend and participate at your school. Any inquiries from students outside your school district or from another high school in a multiple-high school district should be directed to the school superintendent or high school principal.

- (b) THE ATHLETIC CODE FOR COACHES. The code for athletic sponsors includes the principles described in Subsection (a) and the purposes listed in Section 1200. Further, the coach's code includes:
 - (1) Being aware of, understanding and following all rules governing the competition for which the coach is responsible.
 - (2) Informing one's immediate supervisor in writing the next school day after a contest if ejected from that contest for unsports-

- manlike actions, or, in football, if given two 15-yard unsportsmanlike penalties during one contest, knowing that such conduct requires automatic penalty.
- (3) Treating athletes based on what is best for the education, general welfare and health of the student.
 - (4) Professional loyalty to other coaches.
 - (5) Not removing a team from a contest as a protest.
 - (6) Adhering to in season and out of season practice regulations.
 - (7) Adhering to policies which do not force athletes to specialize or restrict them from participation in other sports.
 - (8) Allowing students to participate in one school sport without requiring, as a pre-requisite, participation in another school sport.
 - (9) Abstaining from any practice which would bring financial gain to the coach by using a student's participation in a camp, clinic, league or other non-school athletic event, such as a rebate for each player sent to a particular camp or from each player using a particular product.
Coaches shall not charge a fee for private instruction to student-athletes during the school year. The restriction on charging fees for private instruction applies only to those students who are:
 - (A) in grades 9-12;
 - (B) from the coach's attendance zone; and
 - (C) participating in the sport for which the coach is responsible.
 - (10) Abstaining from any practice that makes a student feel pressured to participate in non-school activities.
 - (11) Avoiding any coaching practice which would endanger the welfare or safety of any player.
 - (12) Emphasizing the academic progress of all participants by a regular, documented check of their academic standing, both in season and out of season.
 - (13) Scheduling games and practices to avoid unnecessary loss of study or class time.
 - (14) Utilizing the best and most current teaching, coaching and training methods through affiliation with professional associations and publications.
 - (15) Abstaining from any practice that solicits teachers to modify a participant student's grade for eligibility purposes.

- (16) Avoiding any actions that encourage, condone or tolerate the use of performance enhancing drugs by any student-athlete.
- (17) Emphasizing a chemical awareness program that informs and educates students of the damaging effects of anabolic steroids and other illegal drugs.
- (18) Disclosing to opposing schools any known conflict of interest with an assigned sports official prior to a contest.

Section 1202: EMPLOYMENT OF COACHES

(a) HIGH SCHOOL COACHES.

- (1) Full-Time Employees. A school is not eligible for UIL competition in an athletic activity unless the head coach and assistant high school coaches are full-time employees of the school board of the school which the team represents.
- (2) Full-Time Defined. Full-time means that the person is under contract to the school board of the school which the athletic team represents for the whole scholastic or calendar year, and the person has enough contractual duties to be considered a full-time employee by the Teacher Retirement System and state law. See Official Interpretation 05-08-03, Appendix I.
- (3) Exceptions. A retired teacher/administrator who has 20 or more years of experience may serve as an assistant coach in all athletics and as a head coach for golf, tennis, team tennis, cross-country, track and field, swimming and wrestling. (This rule shall not affect the status of a coach on a leave of absence attending college.) Also, student teachers, while they are assigned to a member school district to fulfill their student teaching requirements, may volunteer to serve as an assistant coach in all athletics. Schools shall not pay student teachers for assisting athletic coaches. A full-time substitute who has coached during the school year may be permitted to continue coaching until the UIL competitive year has ended.
Example: state baseball playoffs.

- (b) SOURCE OF PAY. Schools shall not pay coaches out of gate receipts, or draw the contracts with coaches in such a way as to make it to the financial advantage of a coach to win games. Schools shall not pay to coaches, and coaches shall not accept, funds gathered by a high school booster club or other sources within the school district. See Official Interpretation 09-03-04, Appendix I.

- (c) **SCHOOL AUTHORITY RESPONSIBLE.** Responsibility for the proper administration, contracts, arrangements, control and scheduling of athletic contests in all school systems shall be under the supervision of the superintendent or a designated administrator.
- (d) **SALARY: NO BONUS.** A coach's salary shall be fixed at the beginning of the year, and shall include no provisions for bonus. It shall be a violation for a contract to be based upon a percentage of the gate receipts.
- (e) **REGULAR DISBURSEMENT.** The salary of a coach shall be paid from funds under the complete control of the school board and disbursed to the coach in the regular way in which the other salaries are disbursed. A district may comply with the Fair Labor Standards Act by paying a non-exempt employee overtime, provided the rate of pay is set prior to the school year and remains at that same rate throughout the school year.
- (f) **NO FINANCIAL INTEREST IN GAME.** Any contract which makes it to the financial interest of a coach to win a game will be in violation of the spirit of the rule.
- (g) **GIFTS.** If a coach accepts money, products or services in recognition of his/her coaching, other than the items stipulated within his/her employment contract, those items come under Section 481, gift awards rule.
- (h) **PREVIOUS SUSPENSION.** The State Executive Committee shall forfeit any contest won by an individual or school if it finds a school district employee previously suspended under Section 27 participated on behalf of the individual or school in the contest plan while prohibited from doing so under order of the State Executive Committee.
- (i) **COACH OR ADULT SUPERVISOR.** No student shall represent his or her school at any time in connection with interscholastic competition unless accompanied by a coach or another appointed member of the school faculty. Exception: A non-school employee may serve as the adult supervisor of students when appointed by the administrator in areas where no coaching/directing takes place. These individuals may provide the transportation to and from the activity and be responsible for the supervision of participants.
- (j) **PROFESSIONAL ACKNOWLEDGMENT FORM.** All personnel coaching in grades 7-12 shall sign a Professional Acknowledgment Form prior to the beginning of their tenure at a member school. These forms shall be on file in the superintendent's office.

- (k) **UIL COACHES CERTIFICATION PROGRAM**
 - (1) All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season.
 - (2) The names of coaches who complete the UIL Coaches Certification Program will be kept on file by the school.
- (l) **COACHES EDUCATION:** All first year coaches and any coach who is not a full-time employee of the school district Exception: Coaches who qualify for the exception under Section 1202 (a) (3) must complete a UIL approved fundamentals of coaching course prior to their participation as a coach for any UIL member school.

Section 1203: DUTIES OF ATHLETIC DISTRICT EXECUTIVE COMMITTEE

- (a) **DISTRICT ORGANIZATION.** Refer to Section 28 for general responsibilities.
- (b) **PRINCIPLES.** The District Executive Committee shall uphold the principle that high school athletics, when properly controlled, are worthwhile and educational.
- (c) **RECRUITING.** The District Executive Committee shall investigate efforts on the part of any school official or local fan to recruit players. Recruiting is a violation and may subject the school at fault to disqualification. Disqualification may be made by the committee after the school has been given an opportunity to be heard. A school in violation shall remain disqualified for the period of time specified.
- (d) **SCHEDULING.** The District Executive Committee shall arrange a schedule to determine district representatives prior to the deadline specified in the Official Calendar. Non-district games shall not count on a team's district win/loss percentage.
- (e) **CERTIFICATION OF DISTRICT REPRESENTATIVES.** The District Executive Committee shall certify in writing, eligible district representatives in all athletic activities. The committee shall certify eligible representatives without any conditions attached to this certification. In case of dispute, certification to the UIL office shall be in the form of a written notice naming the eligible schools and shall be signed by the majority of the District Executive Committee members present.
- (f) **DISTRICT DISQUALIFICATION.** All teams in a UIL district shall be disqualified in the playoffs if the District Executive Committee knowingly certifies a team which has used an ineligible player in any district game unless appropriate action

has been taken. Disqualification shall be by the State Executive Committee only upon presentation of sufficient evidence.

- (g) ZONES. Districts which subdivide into zones for team sports shall determine in writing prior to the season the procedure by which they will determine district representatives.
- (h) TIES. The District Executive Committee shall determine in writing prior to the season the method to determine the district representatives in the event two or more schools are tied in win/loss percentages. If the District Executive Committee has not provided a procedure prior to the season, the following tie-breaker procedures shall apply:
 - (1) For Team Sports Playing A Single Round-Robin Format.
 - (A) Two Teams Tied In Percentage. The team that defeated the other in head-to-head competition will be the highest available seed. The other team will be the lower available seed.
 - (B) Three Teams Tied In Percentage. Step 1: If one of the teams defeated the other two, that team is the highest available seed. The other teams flip to determine the other available seeds. Step 2: If none of the three defeated the other two, flip (odd coin is the highest available seed, the other two flip again to determine the other available seeds).
 - (C) Four Teams Tied In Percentage. Step 1: If one of the teams has defeated the other three, that team is the highest available seed. The other three teams then flip (odd coin wins the highest available seed; second flip determines the other available seeds). Step 2: If none of the four has defeated the other three, the four teams have a blind draw for the available seeds.
 - (D) For football, if the tie involves teams that will advance into different playoff brackets (i.e., Division I, Division II), the teams shall be separated by division prior to implementing tie-breaking procedures.
 - (2) For Team Sports Playing A Double Round-Robin Format.
 - (A) Two Teams Tied In Percentage. If one team defeated the other team both times in head to head district competition, that team will be the highest

available seed. If the two teams split their head to head district games, the two teams shall play one game or match (if rules permit).

- (B) Three Teams Tied In Percentage. Teams play a district tournament. A draws bye; B plays C and C wins; C plays A. If A wins, A is the highest available seed, C is the next available seed and B is the lowest available seed. If C wins, C is the highest available seed, A plays B to determine the other available seeds.
- (C) Four Teams Tied In Percentage. Teams play a district tournament. Draw for spots. A plays C; B plays D. Winners of the first games play for the highest available seed; losers of the first games play for the other available seeds.
- (D) More Than Four Teams Tied In Percentage. Teams play a district tournament.
- (3) Tournaments consisting of more than one day shall be on consecutive days at one site. The District Executive Committee may authorize preliminary round games to be played at additional sites, either within the independent school district where the championship game is to be held or at sites located in an independent school district which adjoins the championship site.
- (4) Any situation not covered in the above tie-breaker criteria shall be determined by lot. Unless the District Executive Committee specifies otherwise prior to the season, tie games shall count as one-half game won and one-half game lost.
- (i) EXPENSES OF DISTRICT EXECUTIVE COMMITTEES IN ALL ATHLETIC ACTIVITIES. The District Executive Committee has authority to finance its expenses. It is recommended that the district activity assessment for a sport for a school shall not exceed one-half of its regular UIL membership fee.
 - (1) Delinquent Assessments. The failure of a school to pay its assessment promptly after having been notified is a violation.
 - (2) Disqualification. If a school refuses or fails to pay its assessment, it may be disqualified from participation the current and following year until the amount is paid.
 - (3) Statement. At the close of the season, the District Executive Committee shall furnish

each participating school in the district a financial statement showing all receipts and disbursements for the season. See Section 28 (n).

- (j) **EDUCATION REQUIREMENT.** Annually each UIL District Executive Committee member, as assigned for basketball alignment, shall complete training designed by the UIL on the policies and procedures outlined in the District Executive Committee Handbook.

Section 1204: SPORTS OFFICIALS

- (a) **AGREEMENT.** All officials must be satisfactory to both parties and agreed upon in advance. However, beginning a game with an official constitutes agreement.
- (b) **SPORTS OFFICIALS FOR UIL CONTESTS.** UIL member schools shall use only sports officials registered with the UIL in all varsity contests including playoffs.
 - (1) If UIL registered sports officials are not available for a varsity contest, the involved member schools must receive prior written approval from the UIL Director of Athletics, or his or her designee, to use sports officials who are not currently registered with UIL.
 - (2) In cross-country, golf, swimming and diving, team tennis, tennis, track and field, and wrestling, member schools may select and use non-UIL registered referees (sports officials) for contests.
 - (3) Unless mutually decided otherwise UIL member schools shall use UIL registered officials for non-varsity games.
- (c) **REGISTRATION AND ELIGIBILITY OF SPORTS OFFICIALS.** In order to officiate a UIL varsity contest a sports official must:
 - (1) be registered with the UIL in the sports being officiated, and annually provide the UIL with directory information and, as required by law, submit to a criminal background check;
 - (2) be a member in good standing of, and assigned to the contest in a sport for which the official is registered by the local chapter or association of sports officials registered with and recognized by the UIL for that purpose;
 - (3) complete either an initial or a continuing education program regarding UIL rules as prescribed and made available by UIL. See (p)(1) below; and

- (4) agree to abide by UIL rules, including fee schedules and travel reimbursement guidelines for payment by UIL member schools to a sports official.

- (d) **ADMINISTRATION OF REGISTRATION; FEES.** UIL shall, consistent with this section, determine and post on its website the process through which an official may annually register with UIL. UIL may charge and collect a fee from sports officials who initiate UIL's registration process in an amount that has been reasonably determined by UIL to be necessary to cover the cost of administering registration and/or the continuing education program as set forth in subsection (Q), below. This amount shall be determined annually by UIL and shall be posted on UIL's website and otherwise made available at other places as UIL determines appropriate.
- (e) **NEUTRAL OFFICIALS.** In all contests, schools should always attempt to secure neutral sports officials.
- (f) **HOST RESPONSIBILITY.** The responsibility to obtain satisfactory sports officials is upon the host school which shall provide names of officials to the visiting school at least 14 days prior to the contest.
- (g) **NOTIFICATION.** When names of officials are received by the visiting school, the visiting school shall immediately notify the host school if officials are not satisfactory. Failure of the visiting school to solicit names of officials from the home school within four days of the contest constitutes agreement.
- (h) **FAILURE TO SHOW; CHAPTER RULES.**
 - (1) If agreed upon officials fail to show, the visiting school shall not be in violation by refusing to play. However, earnest effort should be expended to find officials so that the game may be played without additional travel expenses for team and fans. A host school does not have to forfeit the contest unless the District Executive Committee rules that they have been negligent in contracting and securing officials.
 - (2) A sports official's failure to show after being assigned a contest in a manner consistent with the rules and/or policies of a recognized local chapter or association of sports officials constitutes a violation of UIL rules. Schools shall contact the UIL office and identify the officials who did not show for a contest.
 - (3) A recognized local chapter or association of sports officials shall provide UIL with a copy

- of their most current governing documents, such as its constitutions, rules and by-laws. Such governing documents shall include, but are not limited to, rules and/or procedures governing assignment of contests and disciplinary procedures applicable to sports officials who fail to honor a chapter assignment or otherwise violate UIL rules.
- (i) **SCRATCHES.**
 - (1) After a school has accepted an official, and then scratches the official prior to a contest, the scratching must be in writing and approved by the superintendent, principal, athletic director or other designated representative. Note: Officials shall not be scratched the day of the game, except by mutual consent of both schools. A copy of the letter must be submitted to the other school and the officiating chapter.
 - (2) When officials who have been previously agreed upon by both teams are scratched, the school scratching the officials shall pay them the fee they would have received had they worked the game minus any travel expenses and shall also pay the additional travel costs in obtaining new officials. If scratched officials obtain another game, they do not have to be paid.
 - (3) UIL discourages indiscriminate scratching of entire chapters except in cases when potential problems could result with fans and/or school employees.
 - (4) Officiating chapters should be fair in their game assignments, offering smaller schools the opportunity to use higher level officials when possible.
 - (5) When officials do not show, or when the previously agreed upon officials do not show and the game has to be rescheduled, the chapter shall be responsible for the rescheduled game fee, unless it is determined by the school that an emergency arose beyond the control of the officials.
 - (j) **PENALTY.** The penalty for failure to provide officials is forfeiture of the game or match. The District Executive Committee shall determine whether or not forfeiture is applicable.
 - (k) **FEE VIOLATIONS.** The fee listed shall be paid to officials working varsity and sub-varsity contests. If a member school exceeds or pays less than the fee schedule for a contest, the District Executive Committee shall meet as soon as possible to decide if an emergency warranted the fee violation. If the school in question proves an emergency caused the fee violation, the District Executive Committee does not have to assess a penalty.
 - (l) **FEE APPROVAL/PAYMENT.** Fees are to be paid by the host school or by the game management as approved by the school. Fees should be paid promptly. Schools that do not pay within 45 days of the contest are subject to the range of penalties listed in Section 29.
 - (m) **FLAT FEE SCHEDULE AND TRAVEL REIMBURSEMENT.**
 - (1) The flat fee schedule and travel reimbursement, as approved by the Legislative Council, shall be posted on the UIL website. www.uiltexas.org/athletics/officials
 - (n) **OTHER ALLOWABLE EXPENSES.**
 - (1) Lodging. By agreement of the officials and schools, schools may pay lodging.
 - (2) Ground Transportation. If prior agreement exists, schools may pay taxi fare, etc., for officials.
 - (o) **LIMITATION.** No other item shall be included in payment of officials.
 - (p) **OFFICIALS RULES COMPLIANCE PROGRAM(OCF).**
 - (1) Officials Required To Complete Online Rules Compliance Program. All officials in baseball, basketball, football, soccer, softball, volleyball and wrestling shall annually complete an online Rules Compliance Program approved by UIL. The Officials Rules Compliance Program (OCF) is a condition of registration as prescribed by this section.
 - (2) Registration List. UIL shall maintain, verify, and make available to member schools a list of all sports officials registered with UIL.
 - (q) **REVOCATION OR SUSPENSION OF REGISTRATION.**
 - (1) UIL may revoke or suspend UIL registration of a sports official determined by UIL to have violated the provisions of UIL Constitution and Contest rules governing sports officials or other UIL policy applicable to sports officials. Except in cases arising from criminal background checks, before UIL may take action to revoke or suspend a sports official's registration, UIL shall:
 - (A) notify and consult with the local chapter or association of sports officials of which the sports official is a member;
 - (B) allow the local chapter or association 15 days after the date notice is

- received from the UIL to take action to adjudicate the alleged violation; and
- (C) if after the 15th day following the date notice is received from UIL the local chapter or association has failed to take action against the sports official or takes action UIL finds to be insufficient, UIL may refer the matter to the UIL Sports Officials Committee to consider action against the sports official through a process adopted by the committee. The process adopted shall include provisions for providing notice to the sports official in question of the allegations made and any relevant evidence as well as an opportunity for the sports official, either in writing or in person, to present his or her case to the committee.
 - (D) UIL shall advise both the sports official and the local chapter or association of sports officials in writing of any decisions and any actions taken against the sports official by the UIL Sports Officials Committee, along with any supporting evidence relied upon in reaching a decision. UIL shall maintain copies of the decisions of the UIL Sports Officials Committee for purposes of establishing precedent and guidance to local chapters or associations in regards to actions and sanctions.
- (2) Revocation or Suspension of Registration
- (A) Criminal Background Checks. Criminal background checks as described below, a sports official may be disqualified from officiating or otherwise working at a UIL game or event based on the information revealed by a criminal background check or for failure to report convictions as required under this section. A sports official who is disqualified under this process may, after one year, resubmit to the UIL registration, Official Rules Compliance Program and criminal background check process. For purposes of criminal background checks, the term "Sports Official" is defined under Section 33.085 (2), Texas Education Code.
 - (B) Initial Processing; Errors In Results. As part of the annual registration of sports officials, the UIL shall itself, or through an appropriate third party, conduct a criminal background check on every team sports official who engages in the registration process under this section and provide, or cause an appropriate third party to provide, the results of the criminal background check to the recognized sports officials' association of which the sports official is a member. All criminal background checks must be conducted in a manner that is consistent with UT Austin and UT System rules and regulations. The Executive Director may enter into agreements with recognized sports officials associations and other appropriate third parties to implement this section.
 - (i) In cases where the criminal background check reveals information that, if true, would require, based on the criteria below, the further review of the sports official, the Sports Officials Association of which the sports official is a member, shall give the sports official notice of the information revealed by the background check and provide the sport official a reasonable opportunity to correct any factual errors in the criminal background check results, such as mistaken identity or dates.
 - (ii) Information contained in government records or documents will be presumed to be factually correct absent clear and convincing evidence to the contrary. The mere assertion that the information revealed by the background check is in error or mistaken is, by itself, insufficient to rebut this presumption.
 - (iii) A sports official who claims a factual error in the information produced by the criminal background check bears the burden of proof to show the error by clear and convincing evidence. The factual error raised by a sports official must be mate-

- rial to the determination of the sports officials' disqualification from officiating or otherwise working UIL games or events.
- (iv) All UIL recognized sports officials' chapters and associations shall adopt a fair and reasonable process for receiving, considering and deciding a challenge or complaint by a member sports official who has registered with the UIL that the information produced by the criminal background check of the sports official contains one or more material factual errors or mistakes.
 - (v) Consideration of a claim by a sports official that the criminal background check produced factually incorrect or mistaken results does not require a hearing and may be done by written submission. However, each sports officials' association shall provide written notice to its membership of the process by which such claims will be received, considered and decided.
 - (vi) When, after receiving notice from the sports officials' chapter or association regarding the criminal background check results and pending review, a sports official does not respond in writing within five days after receipt of the notice with a claim or challenge to the factual accuracy of the background check's results, it is presumed that the results of the background check are factually correct.
- (C) Review Criteria and Process.
- (i) Review Criteria. A sports official shall be subject to review when the results of a criminal background check show that:
 - (aa) The sports official has been convicted or placed on deferred adjudication for an offense that would

require the individual to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure, which includes but is not limited to, such offenses as continuous sexual abuse of a young child, sexual assault, aggravated sexual assault; or an offense under the laws of another state or federal law that is equivalent to an offense requiring registration.

In such cases, the sports official shall be reviewed by the sports officials chapter or association of which the official is a member and shall be disqualified from officiating or otherwise working UIL games or events unless a compelling justification to waive this standard is articulated in writing by the sports officials' chapter or association. The written request for an exception to this standard must be approved by the UIL Sports Officials Committee and in accordance with the rules and policies of The University of Texas at Austin, including UTS 124, Criminal Background Checks.

<https://policies.utexas.edu/policies/criminal-background-checks>

- (bb) The sports official has been convicted of a felony involving theft, bodily injury or threats of bodily injury, weapons and destruction of

- property during the prior seven-year period.
- (cc) The sports official has been convicted of drug or alcohol-related felony offenses in the prior seven-year period. In such cases, the sports official shall be reviewed by the sports officials' chapter or association in which the sports official is a member and may be disqualified from officiating or otherwise working at UIL games or events.
- (ii) **Process.** Upon Resolution of any issues or complaints concerning the factual accuracy of the results of the criminal background check, if the review criteria is met, the sports officials' chapter or association in which the official in question is a member shall review the information produced by the background check, along with any other relevant information, and make a determination as to whether the official should be disqualified from officiating or otherwise working UIL games or events. The sports officials chapter or association shall make this determination in a manner that is consistent with its established disciplinary process or policy regarding criminal background history and shall provide a clear process in its by-laws or other governance documents; making sure to provide notice of the process to all its members. Any sports official, whose background check reveals information that causes that official to be subject to review and possible disqualification, must be given any notice required by law and at a minimum given the results of the background check along with any other relevant evidence and be provided an opportunity to respond to the decision maker(s), either in person or in writing, in a timely fashion prior to a decision being made. All such reviews must be done on a case-by-case basis. Except in cases involving review for convictions or deferred adjudication that would require registration as a sex offender under chapter 62, Texas Code of Criminal Procedure and similar offenses as set out above, a sports official who is the subject of review bears the burden of showing that the official does not pose an unreasonable risk of harm to the health, safety or welfare of any participants, spectators or other persons involved with or attending a UIL game or event or to any property or equipment that would be reasonably associated with the game or event. A determination that a sports official is disqualified from officiating or otherwise working a UIL game or event must be based on the available, credible, evidence, including but not limited to, the results of a criminal background check.
- (D) **Self-Reporting Requirement.** A sports official who is registered with the UIL must promptly report to the sports officials chapter or association in which the official is a member any conviction that would make the official subject to review under this section. Any such conviction will cause the sports official to be reviewed as set forth in this section. Failure to promptly report such convictions may cause the sports official to be subject to discipline as set forth in this section.
- See Official Interpretations 17-09-11, Appendix I
- (E) **Appeal To The UIL.** Any sports official who has been determined by a sports officials chapter or association to be disqualified from officiating or oth-

erwise working UIL games or events based on the information revealed by the criminal background check may appeal to the UIL Sports Officials Committee. The committee's decision on an appeal is final and is not subject to further UIL review.

The committee shall adopt an appeals process for receiving, considering and deciding appeals made by sports officials who have been disqualified from officiating or otherwise working UIL games or events. The appeals process adopted by the committee must include provisions that give the appealing sports official reasonable notice of the date and time of any hearings or other relevant deadlines as well as provisions for providing copies of any evidence relied on or submitted to a sports officials chapter or association as part of its review process.

- (F) Memberships In Sports Officials Chapter Or Association. Any language in this section notwithstanding, sports officials chapters and associations control their terms of membership. All decisions regarding membership in a sports officials chapter or association are to be determined by the chapter or association.
- (r) CONDUCT AND REPORT OF ALL MAJOR INCIDENTS. Officials shall report all ejections of coaches, players, or fans, or severe verbal and physical abuse, and any major disruptions that occur during a game. Officials shall:
 - (1) hold themselves to the highest standard of conduct before, during, and after any contest and shall not instigate any verbal or physical confrontation;
 - (2) attempt to inform the game administrator immediately following the contest of any major incident, and continue to make reasonable attempts to contact the administrator until successful; and
 - (3) submit a written report from each official involved to the UIL office within 48 hours of the incident.
- (s) LIAISON TO CHAPTERS. It is recommended that officials' chapters secure a liaison school coach, athletic director or administrator to serve as a non-voting member of the board of directors of each chapter.
- (t) NO PROTESTS. A protest based on a game or

contest official's decision will not be considered.

- (u) DISPUTES RELATED TO ASSIGNMENT, SCRATCHES, AND/OR PAY OF SPORTS OFFICIALS. In situations where there is a dispute regarding the assignment, scratching, and/or pay of a sports official, a recognized chapter or association, and time is of the essence in resolving the dispute, as determined by the UIL Executive Director (or designee), the Executive Director, after consulting with the chair of the UIL Sports Officials Committee, may take any reasonable, necessary action not in contravention of the UIL Constitution and Contest Rules to address the situation in the short term and refer any such matter to the UIL Sports Officials Committee for any final resolution that may be necessary.

In situations where time is not of the essence but the situation involving the assignment, scratching, and/or pay of a sports official, a recognized chapter or association is not addressed in the UIL Constitution and Contest Rules, the Executive Director may refer the matter to the UIL Sports Officials Committee for resolution through the committee's hearing process.

If an eligibility form or a Previous Athletic Participation Form was not filed prior to competition, and it was an inadvertent error and the student is actually eligible under Subchapter M of the Constitution, the District Executive Committee is not required to demand forfeiture or to rule the student ineligible. They may assess the minimum penalty of reprimand to the school.
- (e) SUB-VARSITY ELIGIBILITY REQUIREMENTS. An individual is eligible to participate in UIL contests if that individual is a full-time student of the member school the student represents, has been in attendance and has passed the number of courses required by state law and by rules of the State Board of Education, and is passing the number of courses required by state law and by rules of the State Board of Education.

 - (1) Violation. Any showing of films to or meetings of athletes for the purpose of instruction or reviewing of plays, formations or skills in any sport will be construed as a violation.

- (B) Tennis. If the regional and/or state tennis tournaments are scheduled on a Monday, and if participants arrive at the site on the preceding Sunday because of travel distance, it will not be a violation of this rule if school district personnel accompany or transport participants to a tennis court for the purpose of practicing on their own, if permitted by the regional or state meet director.
 - (C) Cross-country. If the regional and/or state cross-country meets are scheduled on a Monday, and if participants arrive at the site on the preceding Sunday because of travel distance, it will not be a violation of this rule if school district personnel accompany or transport participants to the course site for the purpose of practicing on their own, if permitted by the regional or state director.

For additional restrictions, see the Football Plan.

 - (6) Fees, if any, shall be established and approved by the superintendent and collected by the school. The Texas Education Code requires school districts to adopt procedures for waiving fees charged for participation if a student is unable to pay the fee, and the procedures should be made known to the public.  - (5) No instruction may be given on a Sunday or during the off-season of a team sport.
 - (6) Someone other than a coach should be appointed to supervise facilities.
 - (7) Coaches should not participate with their athletes in the athletes' sport. Such actions place the responsibility on the coach and school to prove they are not violating Sunday and off-season regulations.
 - (8) Use of facilities may be restricted to that school's student body. Note: If only members of an athletic team are participating in their sport in an open recreational facility, it could be deemed a violation of off-season regulations.
- See sport specific manuals for further details.

- (m) **POWER LIFTING TEAM RESTRICTIONS.**
 - (1) Power lifting teams shall be authorized by the superintendent or local board of trustees prior to their inception.

- (a) **ELIGIBLE SCHOOLS.** A school shall

not participate in a sports activity unless its varsity acceptance for that sport, signed by the superintendent or designated administrator, is on file in the UIL office by January 15 of the preceding school year (September 1 for football). A demand of a flat guarantee which is clearly in excess of expenses shall, upon action of the District Executive Committee or State Executive Committee, disqualify the offending team from further participation. Meets which are limited to three or fewer schools, do not count as a meet for participants, provided there is no loss of school time. Each meet a school enters counts as one meet for each participating individual. Students are considered to be representing their school if they are wearing and/or using school equipment or being directed or transported by a school employee.

- (2) Cancellation. A track and field meet is considered a meet when one-half or more of the field events and one-half or more of the track events are completed. Section 1478: SEVENTH AND EIGHTH GRADE ATHLETIC PLAN

- (a) PURPOSES. The UIL is vitally interested in the welfare and development of every youngster. A properly administered athletic program can enhance their overall education. Junior high programs need to take into consideration the substantial range in individual differences among seventh and eighth grade students, i.e., age, body build, interests, ability, experience, health, and stages of physiological, emotional and social maturity. Exploring a wide range of activities rather than specializing in one area, and what is best for the greatest number of participants involved should be emphasized. Each local district has final responsibility for enforcement of all objectives, guidelines and codes in the junior high program of competition. The purposes of the junior high athletic program of the UIL include the following.
 - (1) To conduct the athletic program so that educational objectives are achieved, highest details of sportsmanship are upheld, and no single phase of the athletic program is promoted at the expense of other programs.
 - (2) To provide broad and varied athletic programs with an opportunity for equitable competition for all students. A desirable program involves participation in intramural competition at several ability levels and interschool competition for the more advanced students.
 - (3) To equalize competition and administer the programs so that mismatching of teams

- or individuals is not permitted. Individual schools shall have the final responsibility of enforcing this concept.
- (4) To integrate the athletic program with all other activities essential to junior high school youth, avoiding an excessive activity load for any student.
 - (5) To require that participants are properly examined, approved, equipped, classified, instructed and supervised.
 - (6) To administer the program so that there will be a minimum loss of school time, proper but minimal publicity, competent officiating, limited awards, and the program kept in its proper perspective.
 - (7) To provide qualified faculty leadership who understand this adolescent age group, the objective of this modified sports program, and the emphasis on safety and welfare of the student.
 - (8) To foster proper respect for authority and avoidance of all evidences of undesirable athletic mannerisms.
 - (9) To compete within the spirit of the rules, giving every opponent due credit and respect, and making every effort to be gracious in victory or loss.
- (b) **ELIGIBILITY REQUIREMENTS FOR SEVENTH AND EIGHTH GRADE PARTICIPANTS.** An individual may participate in UIL athletic competition or contests as a representative of a participant school if he/she:

Previous State Executive Committee Interpretations for Section 1102 (f) are no longer applicable since the rule has been modified.

16-01-11 Section 465 (b) (3) (A) and Section 468 (a) (3) (A)- Foreign Exchange Students and J-1 Visa:

In cases where a foreign exchange student is unable to obtain a J-1 visa because such a visa is not legally available or is not required of the student in order for them to travel to the United States to participate in an education program a waiver could be granted as long as the foreign exchange student is able to provide sufficient evidence to show they do not qualify for a J-1 visa; provide a copy of the passport or other travel documents (visa) the student intends to rely on when

traveling to and entering the United States and meets all the other applicable waiver criteria.

15-08-19 Sections 400, 406 and 407 - Students affiliated with two schools:

In circumstances where under local district policy a student is permitted to be affiliated, either by enrollment or attendance, with two or more schools within the same school district, for the purposes of participation in UIL contests, one of the school's shall be designated as the student's 'school of participation'. A student's "home school" or any school of choice (as long as choice was made at the first opportunity) that offers UIL activities may be designated as that student's 'school of participation'. (A student's "home school" is a school that the student is required to attend under local district policy, typically based on parents' resident.)

In the circumstances described above, a student may represent a "school of participation" in UIL contests under the following conditions:

- (a) The hours that the student is enrolled in classes offered by the district at two or more schools are in total sufficient for the student to be considered a full time student. Full time is defined as enrolled in at least four hours per day of instruction for either state or local credit. See Section 403 of the UIL Constitution and Contest Rules.
- (b) Student must comply with the regular attendance rule at "school of participation". See Section 404, UIL Constitution and Contest Rules.
- (c) Student's age must be verified and the student must comply with the 4-year rule and all other UIL eligibility requirements. See Subchapter M, Eligibility, UIL Constitution and Contest Rules.
- (d) Student may only represent one school as "school of participation". The school must approve of the student's participation and the student is under the jurisdiction of the school of participation principal for UIL purposes.
- (e) Any changes in the student's "school of participation" are to be processed and reviewed under the UIL Constitution and Contest Rules as would any other student who changes schools.
- (f) Student's grades are reported by all schools attended by the student to the student's "school of participation" during that schools scheduled grading periods to ensure compliance with no pass/no play law.

10-05-26 Section 441 – Athletic Amateur Rule:

Previous State Executive Committee Interpretations for Section 441 are no longer applicable since the rule has been modified.

10-03-12 Section 400 (b) 403 and 440

For the purposes of this interpretation, the divisions of UIL activities are: Academics (includes One-Act-Play), Music and Athletics.

Local school district policies may permit students who are attending a magnet school located on a campus (within their ISD) that does not offer any activities within a particular division of UIL activities (Academics (including One Act Play), Music or Athletics) to participate at their home attendance zone campus, in that division, under the jurisdiction of that principal for UIL purposes with the following provisions:

- (a) The home attendance zone campus approves of the student's participation.
- (b) Student is enrolled in enough classes to be considered a full time student at the magnet school. Full time is defined as enrolled in at least four hours per day of instruction for either state or local high school credit.
- (c) Student's grades are reported from the magnet school officials to the home attendance zone campus at scheduled grading periods to insure compliance with no-pass, no-play.
- (d) Verification that the student complies with the age rule, 4-year rule (for high school students) and other pertinent information requested by the home attendance zone campus principal would also have to be provided.
- (e) High school students who participate in varsity athletics must comply with University Interscholastic League rules, sections 440 and 442 in the home attendance zone campus.
- (f) A student in this situation is prohibited from representing both the magnet school and the home attendance zone campus in the same division of UIL activities.
- (g) If the magnet school offers a division of UIL activities, the student would have to represent the magnet school in that division of UIL activities.
- (h) If the magnet school does not offer a division of UIL activities, the student could petition to represent their home attendance zone campus in that division of UIL activities.
- (i) It would be allowable to have a student represent their magnet school (school of attendance) in one division of UIL activities and their home

attendance zone campus (school of parents residence) in a division of UIL activities not offered at the magnet school.

- (j) If the student subsequently changes schools within that ISD (to a school other than the home attendance zone campus), the student would be ineligible for varsity athletics for one calendar year unless the parents made a corresponding move to the new school attendance zone.

09-03-04 Section 1202 (b) – Employment of Coaches:

Compensation (not included as part of the coach's salary at the beginning of the school year) for progress past the district level of competition is considered pay for success in the UIL competitive activity and a violation of Section 1202. Advancement beyond the first level of competition is one of the goals of any UIL activity and is a desired expectation of the salary and stipend set by the board of trustees prior to the school year.

08-09-03 Section 1478 (b) (5) – Eligibility Requirements for Seventh and Eighth Grade Participants:

Students attending a public K-8 ISD that does not field a team and does not have a designated receiving school district as indicated in Section 1478 (b) (5), may participate on the seventh and eighth grade baseball, basketball, football, soccer, softball and/or volleyball teams at the junior high school with geographical boundaries contiguous to his/her K-8 ISD; or the junior high school located nearest his/her residence.

The student would be considered a full time student for eligibility purposes at the school he/she selects at his/her first opportunity. Should the student subsequently decide to represent another school under these guidelines without enrolling in the new school, he/she would be ineligible to participate at that new school.

08-09-10 (b) Sections 5 (u), 13 (b) and 400 (b) – Magnet Schools:

When separate magnet schools are located together, the ISD shall designate one of the following configurations for UIL varsity participation.

- (a) All components create one participant high school, and one membership fee is due for that school. Students enrolled in any of the magnet schools located at the center may represent that participant high school in UIL activities; or
- (b) Each magnet school within the center is considered a separate participant high school and must pay a

separate UIL membership fee. Students enrolled in a magnet school may represent only that magnet school in UIL activities.

07-04-18 Sections 400 (g) and 405 (a) – Enrollment in Ninth Grade:

Based on Section 5 (l), a student is considered to be enrolled in the ninth grade the day of that student's registration and attendance in a full class period at the ninth grade level.

05-09-01 (a) Section 409 (a) – Promotion:

When parents or guardians are successful in convincing school officials to allow their child to repeat the seventh or eighth grade, academic promotion is effectively withdrawn and the student is ineligible for the first six weeks because he is repeating the grade. If the student passes all courses for the first six weeks, academic eligibility may be regained seven calendar days later.

05-09-01 (b) Section 1340 (b) (2) – Boys', Girls' Restriction:

This rule clearly addresses students and does not prohibit a coach from providing instruction to a student of the opposite gender.

05-08-03 Sections 1033 and 1202 – Employment of Coaches:

Full time employees must comply with the following standards in order to serve as a high school (grades 9-12) athletic coach or a high school one-act play director.

TRS Minimum Employment Eligibility Standards cited below are used to define full-time (but the employee does not have to actually qualify for TRS):

- (a) A minimum of one-half of the time required of the standard workload (minimum of 15 hours per week for non-certified and 20 hours per week for certified employees); and
- (b) Earning a salary comparable to one-half the salary earned by a full-time employee in a similar position; and
- (c) For UIL: is under contract to the school board for the whole scholastic or calendar year for coaching or directing stipend (or contract could be contingent on district's ability to hire a full time qualified instructor.)

Exception: School boards may hire individuals to coach who are not teachers and whose regular duties do not qualify them for a contract with the school district, provided: their employment conditions satisfy (a) and (b) cited above; their rate of pay for the school year is determined by the board before they begin

coaching; they are informed by the person approving them for hire that they are not eligible to receive a bonus or any part of their coaching salary from any source (including booster clubs) other than the school district; they complete and sign a UIL Professional Acknowledgement Form.

UIL rules do not govern cheer or drill sponsors - those decisions are left with the local school district.

01-09-18 (a) Sections 353 and 440 – Optional Attendance Zone:

A school board may create an optional attendance zone to facilitate the opening of a new high school by adopting the following language: Students who participate in extracurricular activities who will not have the opportunity to compete for varsity district honors at the new high school have the option to attend the high school they would have attended if the new school had not been created or to attend the new school. The student would be eligible at the school they first select. If the student subsequently changes to another school within that district they are not eligible for varsity athletic competition until they have been enrolled in and regularly attended that school for at least the previous year.

01-09-18 (b) Section 409 (a) – Promotion:

Promotion means that a student has been academically promoted from the previous grade level by officials in an accredited public or private school. Students who enroll in a UIL participant school from home school or an unaccredited private school become academically eligible seven calendar days after the first grading evaluation period in which they have passed all courses.

00-09-13 Sections 400 (b) and 440 (b) – Student Transfers:

When a student transfers from their home attendance zone campus district to a public high school in another school district to enroll in a magnet program, the student may not be eligible for varsity athletics at a high school other than the home attendance zone campus. The policy that addresses returning to the home attendance zone campus to participate follows:

When a student transfers out of the district to a public high school that does not participate in athletics:

- (a) The student may petition administration of his home attendance zone campus (school zone where his parents reside) to represent the home attendance zone campus in athletics.

- (b) Student's grades must be reported from magnet high school officials to the home attendance zone campus to ensure compliance with no-pass, no-play.
- (c) Verification that the student complies with the full-time student status, age rule, four-year rule and other UIL eligibility rules and all other pertinent information requested by home attendance zone campus principal would also have to be provided by magnet school principal.
- (d) Student is under the jurisdiction of the home attendance zone campus principal for all UIL purposes. It is important to note that the student would also have to represent home attendance zone campus high school in UIL fine arts and academic competition. A student in this situation is prohibited from representing more than one high school.

Students in this situation would be able to represent the school they attend in any sub-varsity athletic activities.

00-08-03 Section 403 (a) – Local Eligibility Rules:

School districts with board policies that lock all four years of eligibility for ninth grade students from a 7-8-9 campus into the high school they first represent causes those students to be eligible only at that high school. In the event the school board changes its policy and the student wishes to return to the high school where the parents reside, loss of varsity athletic eligibility for at least one calendar year would occur. Local school district policies could cause a student under these circumstances to be ineligible for more than one calendar year.

99-04-20 Section 400 (b) – Charter Schools:

- (a) Students whose parents live within the boundaries of an independent school district where a charter high school is located and opt to attend the charter high school at their first opportunity to select a high school, are eligible according to this section.
- (b) Students whose parents live within the independent school district where the charter school is located, who do not select the charter high school at their first opportunity, are ineligible for varsity athletic competition unless they have been enrolled in and regularly attending the charter high school for at least the previous calendar year.
- (c) Students whose parents reside outside the boundaries of the independent school

district where the charter school is located are ineligible for varsity athletic competition unless they have been enrolled in and regularly attending the charter school for at least the previous calendar year.

95-11-09 Section 400 (c) – Attendance:

Section 400 (c) would allow a student to be considered in regular attendance at the participant high school even though the hospitalized student has been transferred to another school's home bound program provided: the student's class work assignments are determined by the home attendance zone campus; the hospitalized student never attends a class held in a regular classroom of the home bound ISD; the student's physician certifies that he/she may return to the home attendance zone campus and is able to participate; the student's grades are transferred back to the home attendance zone campus with him/her.

88-11-03 Section 442 – Boarding Facilities:

Section 442 (b) applies if at least one of a student's parents is alive. Students who are placed by their parent(s) or guardian(s) in a home licensed by the state as a child care boarding facility are eligible for athletic competition after one calendar year, even though they are transferred from one boarding facility campus to another boarding facility campus, provided the home licensed by the state was appointed as their guardian by appropriate authority more than one year ago.
