

Section 1478: SEVENTH AND EIGHTH GRADE ATHLETIC PLAN

- (a) **PURPOSES.** The UIL is vitally interested in the welfare and development of every youngster. A properly administered athletic program can enhance their overall education. Junior high programs need to take into consideration the substantial range in individual differences among seventh and eighth grade students, i.e., age, body build, interests, ability, experience, health, and stages of physiological, emotional and social maturity. Exploring a wide range of activities rather than specializing in one area, and what is best for the greatest number of participants involved should be emphasized. Each local district has final responsibility for enforcement of all objectives, guidelines and codes in the junior high program of competition. The purposes of the junior high athletic program of the UIL include the following.
- (1) To conduct the athletic program so that educational objectives are achieved, highest details of sportsmanship are upheld, and no single phase of the athletic program is promoted at the expense of other programs.
 - (2) To provide broad and varied athletic programs with an opportunity for equitable com-

petition for all students. A desirable program involves participation in intramural competition at several ability levels and interschool competition for the more advanced students.

- (3) To equalize competition and administer the programs so that mismatching of teams or individuals is not permitted. Individual schools shall have the final responsibility of enforcing this concept.
- (4) To integrate the athletic program with all other activities essential to junior high school youth, avoiding an excessive activity load for any student.
- (5) To require that participants are properly examined, approved, equipped, classified, instructed and supervised.
- (6) To administer the program so that there will be a minimum loss of school time, proper but minimal publicity, competent officiating, limited awards, and the program kept in its proper perspective.
- (7) To provide qualified faculty leadership who understand this adolescent age group, the objective of this modified sports program, and the emphasis on safety and welfare of the student.
- (8) To foster proper respect for authority and avoidance of all evidences of undesirable athletic mannerisms.
- (9) To compete within the spirit of the rules, giving every opponent due credit and respect, and making every effort to be gracious in victory or loss.

NOTE: All middle and junior high coaches are required to comply with Section 1202 (j), (k), and (l).

- (b) **ELIGIBILITY REQUIREMENTS FOR SEVENTH AND EIGHTH GRADE PARTICIPANTS.** An individual may participate in UIL athletic competition or contests as a representative of a participant school if he/she:

 - (C) Full Participation Allowed. Only seventh and eighth grade students who are too old to represent the eighth-grade team may participate on the high school's athletic team. Overage junior high school students who participate with a high school ninth grade, sub-varsity or varsity team, may participate fully under the rules for high school athletes in that sport, including, but not limited to, rules governing number of games, post-season games, etc.
- (5) Is a full-time student in grade seven or eight at the school he/she represents, or is a non-enrolled (home schooled) student seeking participation and is in compliance with all provisions included in section 33.0832 of the Texas Education Code. **Exception:** Seventh and eighth grade students from public K-8 ISDs that do not field a team, may participate on the seventh and eighth grade baseball, basketball, football, soccer, softball and/or volleyball teams at the junior high school in the attendance area where they reside or which is a part of the designated receiving school district. - (c) SIXTH GRADE PARTICIPATION.
- (1) *No Interscholastic Athletic Competition Below Seventh Grade.* With only the exceptions noted below, no interscholastic athletic practice or competition is allowed in any conference for teams in the sixth grade and below. Sixth grade students may not practice with or against junior high students. This does not apply to annual inter-school elementary field days, assuming there is no awarding of place ribbons or determination of team champions.
 - (2) *Student's Eligibility.* A sixth grader may participate in UIL competition or contests as a representative of a participant school only if he/she:

Sixth graders may not be used on either team when a school has more than one team playing. The first day of the season is defined as the first day of practice outside the school day or the day of the first competition, whichever occurs sooner. If fewer than the below listed number of seventh and eighth grade students report the first day of the season, then sixth graders shall be notified the next day that they may try out for the combined seventh and eighth grade team and may participate for the entire season.
