

Subchapter C. HIGH SCHOOL ATHLETIC PLAN

NOTE: Rules that list the sport or sports to which they apply shall apply only to the sport(s) listed.

Section 1200: PURPOSES OF HIGH SCHOOL ATHLETICS

The purposes of the athletic program for the member schools are:

- (a) to assist, advise and aid the member schools in organizing and conducting interschool athletics;
- (b) to devise and prepare eligibility rules that will equalize and stimulate wholesome competition between schools of similar size, and reinforce the curriculum;
- (c) to regulate competition so that students, schools and communities can secure the greatest educational, social, recreational and aesthetic benefits from the contests;
- (d) to reinforce the concept to all member schools that athletics is an integral part of the educational program;
- (e) to preserve the game for the overall benefit of the contestant and not sacrifice the contestant to the game;
- (f) to promote the spirit of good sportsmanship and fair play in all contests;
- (g) to promote among the players, schools and communities a spirit of friendly rivalry and a respect for the rules;
- (h) to forward the concept of accepting decisions of sports officials without protest and treating officials as co-partners in the educational process of competition; and
- (i) to provide rules and regulations designed to promote and ensure the health and safety of all participants.

Section 1201: ATHLETIC CODES

The Athletic Code and the Athletic Code for Coaches carry the force of rule. Member school districts, member schools and/or covered school district personnel who violate any of the provisions of these codes will be subject to penalty.

- (a) THE ATHLETIC CODE. The general Athletic Code means to:
 - (1) Play the game in the spirit of fairness and sportsmanship, observing all rules, both in letter and intent.
 - (2) Coach and sponsor the teams and individuals without resorting to unethical tactics, trickery which attempts to skirt the rules, or any unfair tactic which detracts from sound educational principles.

- (3) Accept decisions of sports and school officials without protest and without questioning their honesty or integrity, and extend protection and courtesy to sports officials from participants, school personnel and spectators remembering that officials are guests.
- (4) Regard opponents as guests, putting clean play and good sportsmanship above victory at any cost. Win without boasting and lose without bitterness. Victory is important, but the most important thing in sports is striving to excel and the positive feelings it fosters between those who play fair and have no excuse when they lose. The development of positive human relations should be stressed in all competition.
- (5) Remember that conduct that berates, intimidates, or threatens competitors has no place in interscholastic activities.
- (6) Provide information or evidence as soon as possible regarding eligibility of any contestant or school to the local administration, then to the proper District Executive Committee. To withhold information is considered dishonorable and contrary to good sportsmanship. Schools guilty of violating this section may be subject to penalty as described in Sections 27 and 29, including disqualification from district honors in the germane activity. Covered school district personnel guilty of violating this section may be subject to the range of penalties as described in Sections 27 and 29.
- (7) Not recruit or entice any student to attend and participate at your school. Any inquiries from students outside your school district or from another high school in a multiple-high school district should be directed to the school superintendent or high school principal.

- (b) THE ATHLETIC CODE FOR COACHES. The code for athletic sponsors includes the principles described in Subsection (a) and the purposes listed in Section 1200. Further, the coach's code includes:
 - (1) Being aware of, understanding and following all rules governing the competition for which the coach is responsible.
 - (2) Informing one's immediate supervisor in writing the next school day after a contest if ejected from that contest for unsports-

- manlike actions, or, in football, if given two 15-yard unsportsmanlike penalties during one contest, knowing that such conduct requires automatic penalty.
- (3) Treating athletes based on what is best for the education, general welfare and health of the student.
 - (4) Professional loyalty to other coaches.
 - (5) Not removing a team from a contest as a protest.
 - (6) Adhering to in season and out of season practice regulations.
 - (7) Adhering to policies which do not force athletes to specialize or restrict them from participation in other sports.
 - (8) Allowing students to participate in one school sport without requiring, as a pre-requisite, participation in another school sport.
 - (9) Abstaining from any practice which would bring financial gain to the coach by using a student's participation in a camp, clinic, league or other non-school athletic event, such as a rebate for each player sent to a particular camp or from each player using a particular product.
Coaches shall not charge a fee for private instruction to student-athletes during the school year. The restriction on charging fees for private instruction applies only to those students who are:
 - (A) in grades 9-12;
 - (B) from the coach's attendance zone; and
 - (C) participating in the sport for which the coach is responsible.
 - (10) Abstaining from any practice that makes a student feel pressured to participate in non-school activities.
 - (11) Avoiding any coaching practice which would endanger the welfare or safety of any player.
 - (12) Emphasizing the academic progress of all participants by a regular, documented check of their academic standing, both in season and out of season.
 - (13) Scheduling games and practices to avoid unnecessary loss of study or class time.
 - (14) Utilizing the best and most current teaching, coaching and training methods through affiliation with professional associations and publications.
 - (15) Abstaining from any practice that solicits teachers to modify a participant student's grade for eligibility purposes.

- (16) Avoiding any actions that encourage, condone or tolerate the use of performance enhancing drugs by any student-athlete.
- (17) Emphasizing a chemical awareness program that informs and educates students of the damaging effects of anabolic steroids and other illegal drugs.
- (18) Disclosing to opposing schools any known conflict of interest with an assigned sports official prior to a contest.

Section 1202: EMPLOYMENT OF COACHES

(a) HIGH SCHOOL COACHES.

- (1) Full-Time Employees. A school is not eligible for UIL competition in an athletic activity unless the head coach and assistant high school coaches are full-time employees of the school board of the school which the team represents.
- (2) Full-Time Defined. Full-time means that the person is under contract to the school board of the school which the athletic team represents for the whole scholastic or calendar year, and the person has enough contractual duties to be considered a full-time employee by the Teacher Retirement System and state law. See Official Interpretation 05-08-03, Appendix I.
- (3) Exceptions. A retired teacher/administrator who has 20 or more years of experience may serve as an assistant coach in all athletics and as a head coach for golf, tennis, team tennis, cross-country, track and field, swimming and wrestling. (This rule shall not affect the status of a coach on a leave of absence attending college.) Also, student teachers, while they are assigned to a member school district to fulfill their student teaching requirements, may volunteer to serve as an assistant coach in all athletics. Schools shall not pay student teachers for assisting athletic coaches. A full-time substitute who has coached during the school year may be permitted to continue coaching until the UIL competitive year has ended. Example: state baseball playoffs.

- (b) SOURCE OF PAY. Schools shall not pay coaches out of gate receipts, or draw the contracts with coaches in such a way as to make it to the financial advantage of a coach to win games. Schools shall not pay to coaches, and coaches shall not accept, funds gathered by a high school booster club or other sources within the school district. See Official Interpretation 09-03-04, Appendix I.

- (c) **SCHOOL AUTHORITY RESPONSIBLE.** Responsibility for the proper administration, contracts, arrangements, control and scheduling of athletic contests in all school systems shall be under the supervision of the superintendent or a designated administrator.
 - (d) **SALARY: NO BONUS.** A coach's salary shall be fixed at the beginning of the year, and shall include no provisions for bonus. It shall be a violation for a contract to be based upon a percentage of the gate receipts.
 - (e) **REGULAR DISBURSEMENT.** The salary of a coach shall be paid from funds under the complete control of the school board and disbursed to the coach in the regular way in which the other salaries are disbursed. A district may comply with the Fair Labor Standards Act by paying a non-exempt employee overtime, provided the rate of pay is set prior to the school year and remains at that same rate throughout the school year.
 - (f) **NO FINANCIAL INTEREST IN GAME.** Any contract which makes it to the financial interest of a coach to win a game will be in violation of the spirit of the rule.
 - (g) **GIFTS.** If a coach accepts money, products or services in recognition of his/her coaching, other than the items stipulated within his/her employment contract, those items come under Section 481, gift awards rule.
 - (h) **PREVIOUS SUSPENSION.** The State Executive Committee shall forfeit any contest won by an individual or school if it finds a school district employee previously suspended under Section 27 participated on behalf of the individual or school in the contest plan while prohibited from doing so under order of the State Executive Committee.
 - (i) **COACH OR ADULT SUPERVISOR.** No student shall represent his or her school at any time in connection with interscholastic competition unless accompanied by a coach or another appointed member of the school faculty. Exception: A non-school employee may serve as the adult supervisor of students when appointed by the administrator in areas where no coaching/directing takes place. These individuals may provide the transportation to and from the activity and be responsible for the supervision of participants.
 - (j) **PROFESSIONAL ACKNOWLEDGMENT FORM.** All personnel coaching in grades 7-12 shall sign a Professional Acknowledgment Form prior to the beginning of their tenure at a member school. These forms shall be on file in the superintendent's office.
 - (k) **UIL COACHES CERTIFICATION PROGRAM**
 - (1) All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season.
 - (2) The names of coaches who complete the UIL Coaches Certification Program will be kept on file by the school.
 - (l) **COACHES EDUCATION:** All first year coaches and any coach who is not a full-time employee of the school district Exception: Coaches who qualify for the exception under Section 1202 (a) (3) must complete a UIL approved fundamentals of coaching course prior to their participation as a coach for any UIL member school.
- Section 1203: DUTIES OF ATHLETIC DISTRICT EXECUTIVE COMMITTEE
- (a) **DISTRICT ORGANIZATION.** Refer to Section 28 for general responsibilities.
 - (b) **PRINCIPLES.** The District Executive Committee shall uphold the principle that high school athletics, when properly controlled, are worthwhile and educational.
 - (c) **RECRUITING.** The District Executive Committee shall investigate efforts on the part of any school official or local fan to recruit players. Recruiting is a violation and may subject the school at fault to disqualification. Disqualification may be made by the committee after the school has been given an opportunity to be heard. A school in violation shall remain disqualified for the period of time specified.
 - (d) **SCHEDULING.** The District Executive Committee shall arrange a schedule to determine district representatives prior to the deadline specified in the Official Calendar. Non-district games shall not count on a team's district win/loss percentage.
 - (e) **CERTIFICATION OF DISTRICT REPRESENTATIVES.** The District Executive Committee shall certify in writing, eligible district representatives in all athletic activities. The committee shall certify eligible representatives without any conditions attached to this certification. In case of dispute, certification to the UIL office shall be in the form of a written notice naming the eligible schools and shall be signed by the majority of the District Executive Committee members present.
 - (f) **DISTRICT DISQUALIFICATION.** All teams in a UIL district shall be disqualified in the playoffs if the District Executive Committee knowingly certifies a team which has used an ineligible player in any district game unless appropriate action

has been taken. Disqualification shall be by the State Executive Committee only upon presentation of sufficient evidence.

- (g) ZONES. Districts which subdivide into zones for team sports shall determine in writing prior to the season the procedure by which they will determine district representatives.
- (h) TIES. The District Executive Committee shall determine in writing prior to the season the method to determine the district representatives in the event two or more schools are tied in win/loss percentages. If the District Executive Committee has not provided a procedure prior to the season, the following tie-breaker procedures shall apply:
 - (1) For Team Sports Playing A Single Round-Robin Format.
 - (A) Two Teams Tied In Percentage. The team that defeated the other in head-to-head competition will be the highest available seed. The other team will be the lower available seed.
 - (B) Three Teams Tied In Percentage. Step 1: If one of the teams defeated the other two, that team is the highest available seed. The other teams flip to determine the other available seeds. Step 2: If none of the three defeated the other two, flip (odd coin is the highest available seed, the other two flip again to determine the other available seeds).
 - (C) Four Teams Tied In Percentage. Step 1: If one of the teams has defeated the other three, that team is the highest available seed. The other three teams then flip (odd coin wins the highest available seed; second flip determines the other available seeds). Step 2: If none of the four has defeated the other three, the four teams have a blind draw for the available seeds.
 - (D) For football, if the tie involves teams that will advance into different playoff brackets (i.e., Division I, Division II), the teams shall be separated by division prior to implementing tie-breaking procedures.
 - (2) For Team Sports Playing A Double Round-Robin Format.
 - (A) Two Teams Tied In Percentage. If one team defeated the other team both times in head to head district competition, that team will be the highest

available seed. If the two teams split their head to head district games, the two teams shall play one game or match (if rules permit).

- (B) Three Teams Tied In Percentage. Teams play a district tournament. A draws bye; B plays C and C wins; C plays A. If A wins, A is the highest available seed, C is the next available seed and B is the lowest available seed. If C wins, C is the highest available seed, A plays B to determine the other available seeds.
- (C) Four Teams Tied In Percentage. Teams play a district tournament. Draw for spots. A plays C; B plays D. Winners of the first games play for the highest available seed; losers of the first games play for the other available seeds.
- (D) More Than Four Teams Tied In Percentage. Teams play a district tournament.
- (3) Tournaments consisting of more than one day shall be on consecutive days at one site. The District Executive Committee may authorize preliminary round games to be played at additional sites, either within the independent school district where the championship game is to be held or at sites located in an independent school district which adjoins the championship site.
- (4) Any situation not covered in the above tie-breaker criteria shall be determined by lot. Unless the District Executive Committee specifies otherwise prior to the season, tie games shall count as one-half game won and one-half game lost.
- (i) EXPENSES OF DISTRICT EXECUTIVE COMMITTEES IN ALL ATHLETIC ACTIVITIES. The District Executive Committee has authority to finance its expenses. It is recommended that the district activity assessment for a sport for a school shall not exceed one-half of its regular UIL membership fee.
 - (1) Delinquent Assessments. The failure of a school to pay its assessment promptly after having been notified is a violation.
 - (2) Disqualification. If a school refuses or fails to pay its assessment, it may be disqualified from participation the current and following year until the amount is paid.
 - (3) Statement. At the close of the season, the District Executive Committee shall furnish

each participating school in the district a financial statement showing all receipts and disbursements for the season. See Section 28 (n).

- (j) EDUCATION REQUIREMENT. Annually each UIL District Executive Committee member, as assigned for basketball alignment, shall complete training designed by the UIL on the policies and procedures outlined in the District Executive Committee Handbook.

Section 1204: SPORTS OFFICIALS

- (a) AGREEMENT. All officials must be satisfactory to both parties and agreed upon in advance. However, beginning a game with an official constitutes agreement.
- (b) SPORTS OFFICIALS FOR UIL CONTESTS. UIL member schools shall use only sports officials registered with the UIL in all varsity contests including playoffs.
 - (1) If UIL registered sports officials are not available for a varsity contest, the involved member schools must receive prior written approval from the UIL Director of Athletics, or his or her designee, to use sports officials who are not currently registered with UIL.
 - (2) In cross-country, golf, swimming and diving, team tennis, tennis, track and field, and wrestling, member schools may select and use non-UIL registered referees (sports officials) for contests.
 - (3) Unless mutually decided otherwise UIL member schools shall use UIL registered officials for non-varsity games.
- (c) REGISTRATION AND ELGIBILITY OF SPORTS OFFICIALS. In order to officiate a UIL varsity contest a sports official must:
 - (1) be registered with the UIL in the sports being officiated, and annually provide the UIL with directory information and, as required by law, submit to a criminal background check;
 - (2) be a member in good standing of, and assigned to the contest in a sport for which the official is registered by the local chapter or association of sports officials registered with and recognized by the UIL for that purpose;
 - (3) complete either an initial or a continuing education program regarding UIL rules as prescribed and made available by UIL. See (p)(1) below; and

(4) agree to abide by UIL rules, including fee schedules and travel reimbursement guidelines for payment by UIL member schools to a sports official.

- (d) ADMINISTRATION OF REGISTRATION; FEES. UIL shall, consistent with this section, determine and post on its website the process through which an official may annually register with UIL. UIL may charge and collect a fee from sports officials who initiate UIL's registration process in an amount that has been reasonably determined by UIL to be necessary to cover the cost of administering registration and/or the continuing education program as set forth in subsection (Q), below. This amount shall be determined annually by UIL and shall be posted on UIL's website and otherwise made available at other places as UIL determines appropriate.
- (e) NEUTRAL OFFICIALS. In all contests, schools should always attempt to secure neutral sports officials.
- (f) HOST RESPONSIBILITY. The responsibility to obtain satisfactory sports officials is upon the host school which shall provide names of officials to the visiting school at least 14 days prior to the contest.
- (g) NOTIFICATION. When names of officials are received by the visiting school, the visiting school shall immediately notify the host school if officials are not satisfactory. Failure of the visiting school to solicit names of officials from the home school within four days of the contest constitutes agreement.
- (h) FAILURE TO SHOW; CHAPTER RULES.
 - (1) If agreed upon officials fail to show, the visiting school shall not be in violation by refusing to play. However, earnest effort should be expended to find officials so that the game may be played without additional travel expenses for team and fans. A host school does not have to forfeit the contest unless the District Executive Committee rules that they have been negligent in contracting and securing officials.
 - (2) A sports official's failure to show after being assigned a contest in a manner consistent with the rules and/or policies of a recognized local chapter or association of sports officials constitutes a violation of UIL rules. Schools shall contact the UIL office and identify the officials who did not show for a contest.
 - (3) A recognized local chapter or association of sports officials shall provide UIL with a copy

- of their most current governing documents, such as its constitutions, rules and by-laws. Such governing documents shall include, but are not limited to, rules and/or procedures governing assignment of contests and disciplinary procedures applicable to sports officials who fail to honor a chapter assignment or otherwise violate UIL rules.
- (i) **SCRATCHES.**
- (1) After a school has accepted an official, and then scratches the official prior to a contest, the scratching must be in writing and approved by the superintendent, principal, athletic director or other designated representative. Note: Officials shall not be scratched the day of the game, except by mutual consent of both schools. A copy of the letter must be submitted to the other school and the officiating chapter.
 - (2) When officials who have been previously agreed upon by both teams are scratched, the school scratching the officials shall pay them the fee they would have received had they worked the game minus any travel expenses and shall also pay the additional travel costs in obtaining new officials. If scratched officials obtain another game, they do not have to be paid.
 - (3) UIL discourages indiscriminate scratching of entire chapters except in cases when potential problems could result with fans and/or school employees.
 - (4) Officiating chapters should be fair in their game assignments, offering smaller schools the opportunity to use higher level officials when possible.
 - (5) When officials do not show, or when the previously agreed upon officials do not show and the game has to be rescheduled, the chapter shall be responsible for the rescheduled game fee, unless it is determined by the school that an emergency arose beyond the control of the officials.
- (j) **PENALTY.** The penalty for failure to provide officials is forfeiture of the game or match. The District Executive Committee shall determine whether or not forfeiture is applicable.
- (k) **FEE VIOLATIONS.** The fee listed shall be paid to officials working varsity and sub-varsity contests. If a member school exceeds or pays less than the fee schedule for a contest, the District Executive Committee shall meet as soon as possible to decide if an emergency warranted the fee violation. If the school in question proves an emergency caused the fee violation, the District Executive Committee does not have to assess a penalty.
- (l) **FEE APPROVAL/PAYMENT.** Fees are to be paid by the host school or by the game management as approved by the school. Fees should be paid promptly. Schools that do not pay within 45 days of the contest are subject to the range of penalties listed in Section 29.
- (m) **FLAT FEE SCHEDULE AND TRAVEL REIMBURSEMENT.**
- (1) The flat fee schedule and travel reimbursement, as approved by the Legislative Council, shall be posted on the UIL website. www.uiltexas.org/athletics/officials
- (n) **OTHER ALLOWABLE EXPENSES.**
- (1) Lodging. By agreement of the officials and schools, schools may pay lodging.
 - (2) Ground Transportation. If prior agreement exists, schools may pay taxi fare, etc., for officials.
- (o) **LIMITATION.** No other item shall be included in payment of officials.
- (p) **OFFICIALS RULES COMPLIANCE PROGRAM(OCP).**
- (1) Officials Required To Complete Online Rules Compliance Program. All officials in baseball, basketball, football, soccer, softball, volleyball and wrestling shall annually complete an online Rules Compliance Program approved by UIL. The Officials Rules Compliance Program (OCP) is a condition of registration as prescribed by this section.
 - (2) Registration List. UIL shall maintain, verify, and make available to member schools a list of all sports officials registered with UIL.
- (q) **REVOCAION OR SUSPENSION OF REGISTRATION.**
- (1) UIL may revoke or suspend UIL registration of a sports official determined by UIL to have violated the provisions of UIL Constitution and Contest rules governing sports officials or other UIL policy applicable to sports officials. Except in cases arising from criminal background checks, before UIL may take action to revoke or suspend a sports official's registration, UIL shall:
 - (A) notify and consult with the local chapter or association of sports officials of which the sports official is a member;
 - (B) allow the local chapter or association 15 days after the date notice is

- received from the UIL to take action to adjudicate the alleged violation; and
- (C) if after the 15th day following the date notice is received from UIL the local chapter or association has failed to take action against the sports official or takes action UIL finds to be insufficient, UIL may refer the matter to the UIL Sports Officials Committee to consider action against the sports official through a process adopted by the committee. The process adopted shall include provisions for providing notice to the sports official in question of the allegations made and any relevant evidence as well as an opportunity for the sports official, either in writing or in person, to present his or her case to the committee.
 - (D) UIL shall advise both the sports official and the local chapter or association of sports officials in writing of any decisions and any actions taken against the sports official by the UIL Sports Officials Committee, along with any supporting evidence relied upon in reaching a decision. UIL shall maintain copies of the decisions of the UIL Sports Officials Committee for purposes of establishing precedent and guidance to local chapters or associations in regards to actions and sanctions.
- (2) Revocation or Suspension of Registration
- (A) Criminal Background Checks. Criminal background checks as described below, a sports official may be disqualified from officiating or otherwise working at a UIL game or event based on the information revealed by a criminal background check or for failure to report convictions as required under this section. A sports official who is disqualified under this process may, after one year, resubmit to the UIL registration, Official Rules Compliance Program and criminal background check process. For purposes of criminal background checks, the term "Sports Official" is defined under Section 33.085 (2), Texas Education Code.
 - (B) Initial Processing; Errors In Results. As part of the annual registration of sports officials, the UIL shall itself, or through an appropriate third party, conduct a criminal background check on every team sports official who engages in the registration process under this section and provide, or cause an appropriate third party to provide, the results of the criminal background check to the recognized sports officials' association of which the sports official is a member. All criminal background checks must be conducted in a manner that is consistent with UT Austin and UT System rules and regulations. The Executive Director may enter into agreements with recognized sports officials associations and other appropriate third parties to implement this section.
 - (i) In cases where the criminal background check reveals information that, if true, would require, based on the criteria below, the further review of the sports official, the Sports Officials Association of which the sports official is a member, shall give the sports official notice of the information revealed by the background check and provide the sport official a reasonable opportunity to correct any factual errors in the criminal background check results, such as mistaken identity or dates.
 - (ii) Information contained in government records or documents will be presumed to be factually correct absent clear and convincing evidence to the contrary. The mere assertion that the information revealed by the background check is in error or mistaken is, by itself, insufficient to rebut this presumption.
 - (iii) A sports official who claims a factual error in the information produced by the criminal background check bears the burden of proof to show the error by clear and convincing evidence. The factual error raised by a sports official must be mate-

- rial to the determination of the sports officials' disqualification from officiating or otherwise working UIL games or events.
- (iv) All UIL recognized sports officials' chapters and associations shall adopt a fair and reasonable process for receiving, considering and deciding a challenge or complaint by a member sports official who has registered with the UIL that the information produced by the criminal background check of the sports official contains one or more material factual errors or mistakes.
 - (v) Consideration of a claim by a sports official that the criminal background check produced factually incorrect or mistaken results does not require a hearing and may be done by written submission. However, each sports officials' association shall provide written notice to its membership of the process by which such claims will be received, considered and decided.
 - (vi) When, after receiving notice from the sports officials' chapter or association regarding the criminal background check results and pending review, a sports official does not respond in writing within five days after receipt of the notice with a claim or challenge to the factual accuracy of the background check's results, it is presumed that the results of the background check are factually correct.
- (C) Review Criteria and Process.
- (i) Review Criteria. A sports official shall be subject to review when the results of a criminal background check show that:
 - (aa) The sports official has been convicted or placed on deferred adjudication for an offense that would

require the individual to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure, which includes but is not limited to, such offenses as continuous sexual abuse of a young child, sexual assault, aggravated sexual assault; or an offense under the laws of another state or federal law that is equivalent to an offense requiring registration.

In such cases, the sports official shall be reviewed by the sports officials chapter or association of which the official is a member and shall be disqualified from officiating or otherwise working UIL games or events unless a compelling justification to waive this standard is articulated in writing by the sports officials' chapter or association. The written request for an exception to this standard must be approved by the UIL Sports Officials Committee and in accordance with the rules and policies of The University of Texas at Austin, including UTS 124, Criminal Background Checks.

<https://policies.utexas.edu/policies/criminal-background-checks>

- (bb) The sports official has been convicted of a felony involving theft, bodily injury or threats of bodily injury, weapons and destruction of

- property during the prior seven-year period.
- (cc) The sports official has been convicted of drug or alcohol-related felony offenses in the prior seven-year period. In such cases, the sports official shall be reviewed by the sports officials' chapter or association in which the sports official is a member and may be disqualified from officiating or otherwise working at UIL games or events.
- (ii) **Process.** Upon Resolution of any issues or complaints concerning the factual accuracy of the results of the criminal background check, if the review criteria is met, the sports officials' chapter or association in which the official in question is a member shall review the information produced by the background check, along with any other relevant information, and make a determination as to whether the official should be disqualified from officiating or otherwise working UIL games or events. The sports officials chapter or association shall make this determination in a manner that is consistent with its established disciplinary process or policy regarding criminal background history and shall provide a clear process in its by-laws or other governance documents; making sure to provide notice of the process to all its members. Any sports official, whose background check reveals information that causes that official to be subject to review and possible disqualification, must be given any notice required by law and at a minimum given the results of the background check along with any other relevant evidence and be provided an opportunity to respond to the decision maker(s), either in person or in writing, in a timely fashion prior to a decision being made. All such reviews must be done on a case-by-case basis. Except in cases involving review for convictions or deferred adjudication that would require registration as a sex offender under chapter 62, Texas Code of Criminal Procedure and similar offenses as set out above, a sports official who is the subject of review bears the burden of showing that the official does not pose an unreasonable risk of harm to the health, safety or welfare of any participants, spectators or other persons involved with or attending a UIL game or event or to any property or equipment that would be reasonably associated with the game or event. A determination that a sports official is disqualified from officiating or otherwise working a UIL game or event must be based on the available, credible, evidence, including but not limited to, the results of a criminal background check.
- (D) **Self-Reporting Requirement.** A sports official who is registered with the UIL must promptly report to the sports officials chapter or association in which the official is a member any conviction that would make the official subject to review under this section. Any such conviction will cause the sports official to be reviewed as set forth in this section. Failure to promptly report such convictions may cause the sports official to be subject to discipline as set forth in this section.
- See Official Interpretations 17-09-11, Appendix I
- (E) **Appeal To The UIL.** Any sports official who has been determined by a sports officials chapter or association to be disqualified from officiating or oth-

erwise working UIL games or events based on the information revealed by the criminal background check may appeal to the UIL Sports Officials Committee. The committee's decision on an appeal is final and is not subject to further UIL review.

The committee shall adopt an appeals process for receiving, considering and deciding appeals made by sports officials who have been disqualified from officiating or otherwise working UIL games or events. The appeals process adopted by the committee must include provisions that give the appealing sports official reasonable notice of the date and time of any hearings or other relevant deadlines as well as provisions for providing copies of any evidence relied on or submitted to a sports officials chapter or association as part of its review process.

- (F) Memberships In Sports Officials Chapter Or Association. Any language in this section notwithstanding, sports officials chapters and associations control their terms of membership. All decisions regarding membership in a sports officials chapter or association are to be determined by the chapter or association.
- (r) CONDUCT AND REPORT OF ALL MAJOR INCIDENTS. Officials shall report all ejections of coaches, players, or fans, or severe verbal and physical abuse, and any major disruptions that occur during a game. Officials shall:
 - (1) hold themselves to the highest standard of conduct before, during, and after any contest and shall not instigate any verbal or physical confrontation;
 - (2) attempt to inform the game administrator immediately following the contest of any major incident, and continue to make reasonable attempts to contact the administrator until successful; and
 - (3) submit a written report from each official involved to the UIL office within 48 hours of the incident.
- (s) LIAISON TO CHAPTERS. It is recommended that officials' chapters secure a liaison school coach, athletic director or administrator to serve as a non-voting member of the board of directors of each chapter.
- (t) NO PROTESTS. A protest based on a game or

- (u) DISPUTES RELATED TO ASSIGNMENT, SCRATCHES, AND/OR PAY OF SPORTS OFFICIALS. In situations where there is a dispute regarding the assignment, scratching, and/or pay of a sports official, a recognized chapter or association, and time is of the essence in resolving the dispute, as determined by the UIL Executive Director (or designee), the Executive Director, after consulting with the chair of the UIL Sports Officials Committee, may take any reasonable, necessary action not in contravention of the UIL Constitution and Contest Rules to address the situation in the short term and refer any such matter to the UIL Sports Officials Committee for any final resolution that may be necessary.

In situations where time is not of the essence but the situation involving the assignment, scratching, and/or pay of a sports official, a recognized chapter or association is not addressed in the UIL Constitution and Contest Rules, the Executive Director may refer the matter to the UIL Sports Officials Committee for resolution through the committee's hearing process.

Section 1205: ATHLETIC ELIGIBILITY
