

## Quick and Easy Licensing Suggestion for Band Music

If your school band has recorded a song for your cheer or dance team to utilize during competition or performance, you will need to show a Compulsory License or Mechanical License that allows you to use the recording of the song. It DOES NOT allow you to mix the song with other songs.

If your Band Director cannot provide this for you, following are a few easy steps to purchase a license.

STEP 1:  
Register

[www.songfile.com](http://www.songfile.com)

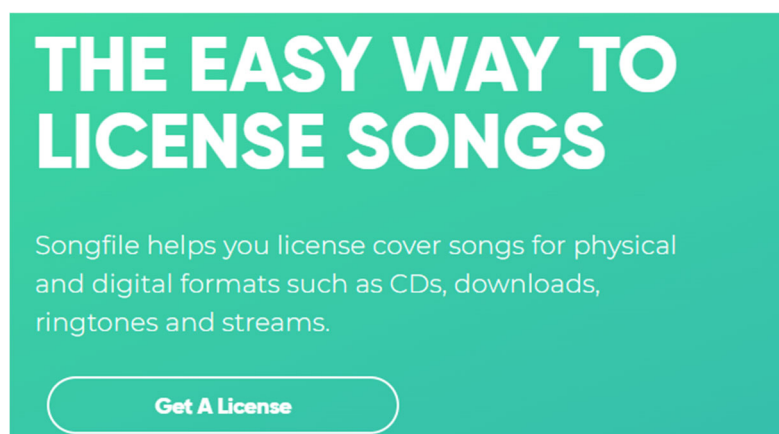

STEP 2:  
Accept the TERMS OF USE

STEP 3: Create your account as an individual.

## 2 CREATE YOUR ACCOUNT

STEP 4: Click "Get A License"

STEP 5:

- Name of the song in "Album of Single Title"
- Earliest date of distribution: can be any date but suggested 30 days out

- Distributed in United States
- Type of License: Physical
- Total copies = CD 25 (this is the minimum)

STEP 6: Search Songs and type in the name of the song you are looking for. You should use Google to find the Songwriters for the version you are looking for to narrow your search.
